A photograph of several young men at a camp, focused on a craft project. They are seated at a wooden table outdoors. In the foreground, a young man in a grey t-shirt is using a red marker to draw on a piece of paper. On the table are various supplies: a clear plastic container with markers, a yellow envelope, a red marker, and some papers. In the background, another young man in a blue t-shirt is also working, and a third person in a white t-shirt with "troop 11" and a map of Oklahoma on the back is visible. The setting is a wooded area with trees and a dirt path.

For over 85 years, Hale Scout Reservation has been providing one-of-a-kind Scouting experiences in the beautiful Kiamichi Mountains in southeastern Oklahoma. As the premiere camp in the area we take great pride in our programs and constantly re-evaluate to make our unique adventures even better for you year after year. Explore on to see what we have to offer!  
See you at Camp Hale!

A photograph of four young men in Boy Scout uniforms. They are wearing tan shirts with various patches, including the American flag and merit badge patches. They are also wearing caps and sunglasses. The background shows a building and trees. A semi-transparent text box is overlaid on the image.

"This was our first time at Hale Scout Reservation. We were very impressed with the merit badge staff... we had at least one special needs Scouter and the staff was very understanding. Our Scouters loved the kid oriented food... we are returning... and looking forward to our next camping experience. It was a hoot participating in the snow sports merit badge... (Oklahoma at 100F+) Check it out, very creative!"

-Troop 420 / 320 Springfield, MO

A group of people, including young men and women, are performing a skit on a stage at night. They are dressed in casual clothing and some are wearing hats. The background features three buildings: a yellow building labeled 'HOTEL', a white building labeled 'EMPORIUM', and a white building labeled 'TOWN HALL'. The scene is lit with stage lights, and the audience is visible in the foreground, mostly in silhouette.

"Great camp! Merit badge counselors are college aged students and they did a terrific job. Our boys were excited to see a varied selection of merit badges available to them. The highlight of the camp is the closing ceremony with the troop skits and OA Callout"

-Troop 44 Van Alstyne, TX
