## 2017 Itinerary Guidebook

A photograph taken from the interior of a tent, looking out through the mesh walls. The view shows a vast, open landscape with rolling hills and mountains under a clear blue sky. The tent's structure, including its poles and fabric, is visible in the foreground, framing the outdoor scene.

## **MISSION OF THE BOY SCOUTS OF AMERICA**

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

## **A PICTURE OF THE FUTURE FOR SCOUTING'S SECOND CENTURY**

In Scouting's second century, we are building the leaders of tomorrow. Scouting's dynamic and engaging journey beckons to America's young people. Our exciting programs and outdoor adventures inspire lives of leadership, character, and service. Relevant and adaptive, we are a trusted advocate for youth. Our adult volunteers and employees are widely admired for their leadership excellence. The Boy Scouts of America is strong and financially secure. True to our mission, Scouting reflects our nation in its ethnic diversity and shapes our nation by developing responsible citizens.

## **VISION STATEMENT – PHILMONT SCOUT RANCH**

It is the vision of the Philmont Scout Ranch to continue to positively impact the lives of young people and their Scouting leaders through inspiring and effective delivery of the finest Scouting possible through backcountry adventures and training center experiences.

It is our further vision that these experiences will be expanded to help meet increasing demands. All future growth must be accomplished with minimal ecological impact on resources to insure the preservation of this great asset to serve future generations of Scouts.

# 2017 - Setting the Course

---

You and your crew are about to embark on a great outdoor Scouting experience. Your Philmont trek will leave you with lasting memories and lifetime values. It will change your life forever! This *Philmont TREKS 2017 Itinerary Guide*, and accompanying materials, will help you and your crew in completing the last of your planning and aid in the selection of your Philmont itinerary.

The *Council and Unit Planning Guide* can be found at [www.PhilmontScoutRanch.org](http://www.PhilmontScoutRanch.org). In this Advisors Kit you will find the *Philmont Treks 2017 Itinerary Guide*, a *Guidebook to Adventure* for each crew member, a Philmont Overall Map (that you will need to bring, unmarked, to Philmont with you), and other materials you will find useful as you finalize plans for your High Adventure experience! Please study all the materials that Philmont has sent you. For example, the *Council and Unit Planning Guide* outlines **leadership standards, youth protection, health and medical requirements, crew responsibilities, fee payment schedules, coed Venturing Crew and Explorer Post policies, and even a monthly planning schedule.**

This *Philmont TREKS 2017 Itinerary Guide* gives direction to . . . .

- . . . finalizing your travel plans,
- . . . understanding Philmont's participation requirements,
- . . . selecting an itinerary that very carefully matches everyone's physical ability level,
- . . . how to benefit from Philmont's many and varied Backcountry programs,
- . . . building your crew into a team where everyone is successful.

## Physical Conditioning

The importance of being in **top physical condition** cannot be overemphasized!

Backpacking 5 to 14 miles daily, for 12 days with a 35-50 pound pack, at elevations ranging from 6,500 to almost 12,500 feet, requires great physical strength and endurance. Your physical training program should have started last December; at least six months of training is **strongly** recommended. If it did not - **PLEASE START NOW!** Refer to the *Council and Unit Planning Guide* for a suggested conditioning program.

## Wilderness First Aid/CPR Training Requirements/Certifications

Philmont requires that at least two people (either advisors or a youth participants) in each crew be currently certified in Wilderness First Aid or the equivalent and CPR from the American Heart Association, the American Red Cross or the equivalent. Different crew members can have the certifications in Wilderness First Aid and CPR — it doesn't have to be the same person.

The Wilderness First Aid is a sixteen hour course designed to help in situations when help is not readily available. Several hours may be required for Philmont staff to reach a remote backcountry location after a message is delivered to the nearest staffed camp. First aid and CPR training will result in proper and prompt attention being given to injuries and/or illnesses. You must present current certification cards upon check in to verify this requirement.

A list of organizations that provide first aid training courses equivalent to Wilderness First Aid may be found in Appendix A on page 104.

Philmont will also accept advanced levels of training. A copy of the license or certification must be shared with Philmont during the registration process. The approved certifications are listed in Appendix B on page 105.

## Annual BSA Health and Medical Record

Every camper and Advisor is required to have a medical evaluation within twelve (12) months of his or her participation date by a physician licensed to practice medicine. An **Annual Health and Medical Record is valid**

**through the end of the 12<sup>th</sup> month from the date it was administered by your medical provider.** An examination conducted by a physician's assistant or a nurse practitioner will be recognized for states where they may perform physical examinations to students enrolled in public school systems. **The Annual BSA Health and Medical Record form must be used.** This form is available on Philmont's website at [www.PhilmontScoutRanch.org](http://www.PhilmontScoutRanch.org). Part's A, B, C, and the Information and FAQs should be downloaded and completed for each crew member. Advisors are to collect and hold the forms to be turned in at the Infirmary upon arrival at Philmont. **Advisors should review each participant's medical form to be familiar with any health restrictions, check for parental and physician's signatures, and be certain that a copy of each participant's health insurance card is attached.**

An individual should always contact the family physician first and call Philmont at 575-376-2281 if there is a question about the advisability of participation. Philmont's Chief Medical Officer and other medical staff of the Infirmary reserve the right to make medical decisions regarding the participation of individuals at Philmont.

Each crew must bring a first aid kit. The *2017 Guidebook to Adventure* contains a recommended first aid kit supply list. Many "over the counter" medications are available at the Tooth of Time Traders at Philmont.

### **Philmont Weight Limits for Backpacking & Hiking**

Each participant in a Philmont trek must be within the acceptable weight limit in the weight and height chart shown in Appendix C on page 109. The right hand column shows the maximum acceptable weight for a person's height in order to participate in a Philmont trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. These guidelines are used because overweight individuals are at a greater risk for heart disease, high blood pressure, stroke, altitude illness, sleep problems, and injury.

**Participants 21 years and older who exceed the maximum acceptable weight limit for their height at the Philmont medical recheck WILL NOT be permitted to backpack or hike at Philmont.** For example, a person 70 inches tall cannot weigh more than 226 lbs. All heights and weights will be measured in stocking feet.

For **participants under 21 years of age** who exceed the maximum acceptable weight for height, the Philmont medical staff will use their best professional judgment in determining participation in a Philmont trek. Participants under 21 years of age are strongly encouraged to meet the weight limit for their height. Exceptions are not made automatically and discussion in advance with Philmont is required regarding any exception to the weight limit for persons under 21 years of age, whether it is over or under. Philmont will consider up to 20 lbs. over the maximum acceptable as stated on the chart, however, the exception will never exceed 295 lbs. Philmont's phone number is 575-376-2281.

The maximum weight for any participant in a Cavalcade Trek or for horse rides is 200 pounds. Under no circumstances will any individual weighing more than 295 pounds be permitted to participate in backcountry programs. This requirement is necessary because of limitations of rescue equipment and for the safety of search and rescue personnel.

Philmont's camping programs center on backpacking in the backcountry, therefore Camping Headquarters does not offer a "Base Camp" program. Participants who arrive at Philmont and do not meet the above height/weight requirements **OR** who come off the trail because they cannot physically complete their trek must return home at their own expense.

Usually, most minor injuries and illnesses can be handled by the Infirmary and allow the participant to return to the trail. Philmont tries to reunite injured campers with their crew; however, several factors may prevent or delay this, such as weather, the nature of the injury, where the crew is camped, and the length of the trek remaining. Once again, good conditioning and safe camping and hiking practices help make the trek successful for all.

## Special Food Needs for Allergic or Religious Reasons

Philmont trail food is by necessity a high-carbohydrate, high-caloric diet. It is high in wheat, nuts, milk products, sugar, corn syrup, and artificial coloring/flavoring. If an individual in your crew is allergic to some food products in our menu or requires a special diet, suitable replacement food must be purchased at home and brought to Philmont to replace those items. **Philmont asks that food substitutions be made only for medical (including allergies) or religious reasons.** All food shipped to the backcountry is subject to inspection to insure the best delivery method. There is no fee reduction for individuals who bring their own food.

If replacement food is required, go to the Philmont website at [www.PhilmontScoutRanch.org](http://www.PhilmontScoutRanch.org) and find the menu and ingredients list. The 2017 menu and ingredient list will post by May 1. All meals are numbered from 1 to 10. Review this list, determine which food items would cause a problem and prepare a substitute for that item by meal (i.e., Supper 5). When putting the substitutes together, keep in mind that Philmont participants need approximately 3,000 calories a day. Package the items individually by meal number and label them with the Expedition Number, the person's name, and the meal that the substitute is replacing ("Supper 5"). Do this for all meals with substitutions.

On the day of your arrival at Philmont, your crew's Ranger, the Crew Leader, and individual(s) needing the substitute food should bring the food bags to Logistics. The Logistics staff will then group the meals to correspond with the crew's commissary pick-ups and will arrange for food to be delivered to appropriate backcountry commissaries.

If you have any questions about food substitutions, please contact Philmont by telephone at 575-376-2281 or email [camping@philmontscoutranch.org](mailto:camping@philmontscoutranch.org). The menu and ingredient list for 2017 will be available online by May 1, 2017.

## Accident and Sickness Insurance

Campers and Advisors are covered while at Philmont and while traveling to and from, by a plan through Health Special Risk, Incorporated (HSR Inc.). Please refer to the High Adventure Base Camper's Accident and Sickness Plan Brochure included in the Advisors Packet.

For each sickness or injury, benefits are payable for medical or surgical treatment, prescription drugs, hospitalization, or the exclusive services of a private duty nurse (RN or LPN). Benefits will be paid for expenses incurred (subject to the *Excess Insurance Provision* explained below) up to the usual and customary charges normally made within the geographic area where treatment is performed.

**Excess Insurance Provision** – The Plan will pay all eligible expenses incurred from a covered accident or sickness not paid by any other collectible insurance or pre-paid health plan in force. If no other collectible insurance or pre-paid health plans are in effect at the time of the loss, this plan will pay all eligible covered expenses up to the plan limits. There is no deductible under this plan.

Advisors are urged to inform parents of the information in the High Adventure Base Camper's Accident and Sickness Plan Brochure provided by Health Special Risk, Incorporated. Also remind parents to include the company name and policy number of their family insurance policy and attach a copy of their health insurance card (front & back) to the Annual BSA Health and Medical Record.

## Emergency Transportation

Philmont will assist with transportation arrangements when a family emergency (death or serious illness) occurs during an Expedition requiring a participant to return home or if a participant must return home for medical reasons. Be aware that transportation to airports may not be available at short notice and there could be delays before a participant is able to depart Philmont and arrive at an airport. Participants must reimburse Philmont for any transportation services provided, including transportation to a required airport.

## The Philmont Crew Leadership Team

### Adult Leadership — BSA Policy<sup>1</sup>

The best available adult leadership should be recruited to accompany each crew. In keeping with the policy of the Boy Scouts of America, there are no gender restrictions for adult leadership at Philmont except that each Coed Venturing crew must have coed adult leaders. **Each adult must be a registered member of the Boy Scouts of America.**

Each Philmont Expedition or group must have at least two BSA registered adult Advisors for Boy Scout groups, one advisor must be at least 21 years of age; the second Advisor must be at least 18 years of age. **Each crew is required to have a majority of youth participants, and the maximum number of adults (over 21) is four (4) per crew.** Participants 18 through 20 years of age may be counted as youths or adult crew members in determining the makeup of the crew. All leaders must have completed the current youth protection training offered at [www.myscouting.org](http://www.myscouting.org).

Effective March 1, 2015, all new Venturing and Sea Scouting participants 18, but not yet 21, must complete an Adult BSA Application, Criminal Background Check Disclosure/Authorization Form, and Youth Protection Training.

Coed Venturing Crews and Explorer Posts are required to provide coed leadership while enroute to and from Philmont and while hiking the trails of Philmont. A Coed Venturing Crew or Explorer Post must have at least one male Advisor and at least one female Advisor, each of whom must be at least 21 years of age. Female Advisors must be responsible for the female participants; male Advisors must be responsible for the male participants. Male and female youth participants will not share the same sleeping facility.

Crews with coed youth members must function under Venturing and/or Learning for Life Policies.

- Council Contingent crews may have a mixed registration of Boy Scouting, Venturing, and Exploring members. Each crew that has coed youth members must follow Venturing or Learning for Life Policies.
- If a father and daughter (under 18 years of age) are participants, the crew must have male and female Advisors 21 years of age or over.

Male and female Advisors are required to have separate sleeping facilities. Married couples serving as adult Advisors may share the same quarters if appropriate facilities are available.

When staying in tents, no youth will stay in the tent of an adult other than his or her parent or guardian.

All Advisors must be physically capable of hiking and camping in Philmont's high mountains for the length of the Expedition. Each Advisor is expected to reflect high moral standards established by custom, traditional values, religious teaching, and follow the youth protection guidelines.

Philmont recommends groups identify alternate leadership able to “step in” at the last minute in the event a leader is not able to attend. Philmont cannot provide staff to meet the BSA, two-deep leadership requirement.

---

<sup>1</sup> Refer to *Guide to Safe Scouting*, No. 34416, for additional adult leadership policies.

## **Crew Leader**

**Every Philmont crew functions best when led by a youth Crew Leader!** Great care should be used in selecting a Crew Leader as this person will have an awesome responsibility. The Crew Leader must have earned the respect of the crew members and adult Advisors.

The **Crew Leader** gives leadership to the crew he/she is responsible for:

- Discussing ideas with the entire crew to arrive at a consensus before taking action.
- Organizing the crew, assigning duties and making decisions.
- Choosing routes during the trek based upon the capability of the crew.
- Setting up and breaking camp.
- Checking that all “smellables” are properly stored and that all wildlife procedures are followed.
- Making sure the *Philmont Wilderness Pledge* is being upheld and that every campsite, fire pit, and dish water sump is left clean.
- Guiding the crew in a conservation project.
- Supporting the Chaplain Aide and Wilderness Pledge *Guia* as they carry out their duties.

The **Adult Advisor** must support the Crew Leader and is responsible for:

- arranging transportation, overnight stops and meals enroute to and from Philmont,
- ensuring the safety and well-being of everyone in the crew,
- addressing crew conflicts that may require appropriate discipline,
- serving as a counselor and coach and giving appropriate guidance to the Crew Leader.

## **Chaplain’s Aide**

A crew member, preferably one who has earned one of Scouting’s religious awards, should be selected as the Chaplain’s Aide. Their duties include:

- leading grace before meals,
- leads daily devotionals from the “Eagles Soaring High” Booklet,
- encouraging participation in religious services, and
- guiding crew participation in the Philmont’s “Duty to God” program.

## **Wilderness Pledge *Guia* (Spanish word for Guide)**

Each crew will select a Wilderness Pledge *Guia*. This individual will:

- help the crew understand the principles of the Philmont Wilderness Pledge and Leave No Trace,
- help the crew focus on camping practices that will adhere to the wilderness ethics outlined in the two approaches,
- see that “smellables” are correctly stored and all Philmont policies followed to avoid encounters with bears and other animals,
- ensure the Wilderness Pledge is followed and that campsites are left clean, and
- maintain the wildlife census card and record wildlife sightings during the trek.

With more than 22,000 participants camping each summer at Philmont, it is important that each person do their share to insure that we protect Philmont and our neighbor’s properties for generations to come.

This team - Crew Leader, Chaplain’s Aide, Wilderness Pledge *Guia*, and Advisor become the prime resource for keeping morale high!

## **Philmont Rangers**

Trail wise and well versed in the latest camping and hiking techniques and Philmont lore, these hardy young men and women play a vital role in helping your crew be successful on the trail. Rangers are trained to show respect to the Advisors - they deserve the same as they coach the Crew Leader and crew on Philmont’s backcountry hiking and camping procedures. They come from some of the best Scout troops and Venturing Crews in America. A mark of a well prepared crew is when the Ranger can stay in the background while assisting the crew. Your Ranger will be a great friend and mentor. He or she will remain with the crew for the first three days at Philmont.

# The Adventure Begins

---

## **Tour Director**

Council contingents or multiple crew groups may wish to designate one Advisor to serve as the group's Tour Director. His or her duties could include coordinating transportation for the crews, and handling all fiscal arrangements enroute to and while at Philmont. This person would schedule overnight stops, arrange lodging and meals, and be responsible for final fee settlement with the Philmont Registrar. The Tour Director serves as the chief liaison between the crews, the local council, and Philmont. He or she is expected to meet the same physical requirements as the rest of the Advisors and accompany one of the crews on the trail. Tour Directors are often top Philmont promoters in their local council.

## **Transportation**

THE ARRIVAL/DEPARTURE PLANS AND CREW INFORMATION MUST BE ENTERED IN THE "PHILMONT ROSTER AND ARRIVAL GATEWAY," WHICH WAS EMAILED IN FEBRUARY TO EACH RESERVATION CONTACT. THIS GATEWAY IS THE SYSTEM FOR ENTERING YOUR TOP 6 ITINERARY CHOICES ONLINE BEGINNING APRIL 4 OR 5. (Top 8 itinerary choices if requesting to be "Sister Crews".)

Traveling to and from Philmont is an important part of the "High Adventure" experience. Most groups will find transportation to be the largest expense in the budget. Study the various travel options before making a final decision. Choose the one that has the greatest appeal and is affordable.

## **Public Carriers**

Philmont participants have found public transportation providers to be reliable transportation to and from the ranch. Consult the passenger department of any of the listed carriers for scheduling information and costs. Your local travel agency can also provide this service. A list of public transportation carriers that provide service to and from Philmont may be found in Appendix D on page 107.

## **Private Vehicles**

This method of transportation should be used only with full assurance that the vehicles are safe and the drivers are reliable. Make sure there is adequate insurance coverage for each vehicle and that drivers meet licensing requirements. Philmont is not responsible for vehicles parked in parking areas.

## **Conduct While Traveling**

Scouts, Venturers, and Explorers are respected nationwide because of how they travel and behave in public. Sharp appearing, properly uniformed Scouts, Venturers, and Explorers bring credit to themselves and the organization. You are Scouting's ambassadors! Use the buddy system - no one person ever leaves the group alone. Telephone ahead to your next stop to confirm or change a reservation. Do not use tobacco in public. Express appreciation to those who extend courtesies to you along the way.

## **Family Members**

Philmont does not provide program or accommodations for family members not going on the trail. There are several motels and public campgrounds in the surrounding area. Prior reservations are strongly recommended.

## **Crew Roster (Philmont Roster and Arrival Gateway)**

Philmont will continue to use the Philmont Roster and Arrival Gateway. This online system provides a method for Advisors to enter crew roster data, arrival/departure information, and itinerary selections. Reservation Contacts/Lead Advisors will be able to enter, update, or modify information up to two weeks prior to arrival.

The roster contains vital information that Philmont uses during emergencies. It also provides information that various departments use to support your experience on the Ranch. The Mail Room for example uses this information to assist in sorting mail each day and forwarding mail that arrives after a crew has departed.

The Reservation Contacts received instructions on how to use this exciting online system in February. For multi-crew reservations the Reservation Contact will be able to provide a link for each crew's Lead Advisor to enter their information.

### **Talent Release**

All Philmont Scout Ranch participants are informed that photographs, film, video tapes, electronic representations and/or sound recordings may be made during their visit to Philmont Scout Ranch. These images may be used for training and promotion purposes for Philmont Scout Ranch and other projects approved by the Boy Scouts of America.

Each participant, by completing the Annual Health and Medical Record "Part A: Informed Consent, Release Agreement, and Authorization", will fulfill the necessary Photo **(Talent) Release** requirements for Philmont Scout Ranch. (For complete statement please refer to Part A of the 2017 Annual Health and Medical Record that can be downloaded from [http://www.scouting.org/filestore/philmont/pdf/HealthForm\\_ABC.pdf](http://www.scouting.org/filestore/philmont/pdf/HealthForm_ABC.pdf))

### **Expedition Number**

Please provide your **CORRECT, Confirmed Expedition Number** on all correspondence and forms required for your Philmont experience. Your Expedition Number was assigned by Philmont when your deposit was received and **replaced your tentative Expedition Number**. Check with your group's contact person to verify your **correct Expedition Number** or contact **Camping@PhilmontScoutRanch.org**.

Your Expedition Number is determined by your arrival date. If, for example, your crew is to arrive July 14, the first part of your Expedition Number is 714, which signifies 7<sup>th</sup> month, 14<sup>th</sup> day. Philmont also assigns a unique alpha-letter to each reservation arriving the same day (Example, 714-A, 714-B, 714-C, etc.).

If your reservation consists of several crews, it is your responsibility to assign a unique consecutive number after the letter to designate each one. Thus, if your reservation consists of two or more crews arriving on July 14, your crews' **Expedition Numbers are 714-A-01, 714-A-02, etc.** Parents should record their camper's complete Expedition Number on the card inside the cover of the *2017 Guidebook to Adventure* that will be distributed to each participant. They should keep this to use if they need to contact Philmont while the crew is on the trail.

### **Philmont Address and Mail**

Your complete expedition number is essential for mail delivery at Philmont. Incoming **mail** may be picked up **only by the Crew Advisor or Crew Leader** at the Philmont Mail Room when your crew arrives and when you return to Camping Headquarters from the trail. You may send mail from any staffed camp.

### **Philmont Summer Participant Mailing Address**

Your Name, Expedition Number  
47 Caballo Rd.  
Cimarron, NM 87714

### **Emergency Telephone Number at Philmont**

**24 HOUR EMERGENCY NUMBER — (575) 376-2281**

**Telephone calls to any of your group should be restricted to extreme emergencies only!** Since Philmont comprises 215 square miles of rugged mountain wilderness, it can require several hours (or even days) to transport a participant from some camps to return an emergency phone call. If this becomes necessary, it will speed contact when the caller has the full name and expedition number of the person being contacted.

## **Crew Lockers / Security**

Philmont provides crew lockers and safekeeping (vault) storage service for crews. Crew lockers (2' x 2' x 3') are available for items not needed on the trail. These lockers are limited to groups traveling by commercial transportation. Crews traveling by private vehicle will be required to store items in their vehicles. **Crews using lockers will be limited to two (2) lockers, based on availability. Locks will be provided by Philmont.**

Safekeeping storage is available for valuables such as tickets, vehicle keys, credit cards, etc. Items are sealed in envelopes and placed in the vault. **Never leave valuables in tents or unattended!** Philmont is not responsible for lost or stolen items.

## **Backpacking Stoves**

Philmont requires crews to use backpacking stoves. You may bring your own or purchase them at Philmont. Visit [www.ToothofTimeTraders.com](http://www.ToothofTimeTraders.com) for great information on stoves and fuel for your Philmont expedition. (Refer also to the 2017 Guidebook to Adventure, Page 15.)

Crews traveling by air or on most commercial carriers will need to ship stoves/fuel bottles to Philmont.

## **Your Name, Expedition Number**

**47 Caballo Road  
Cimarron, NM 87714**

All stoves/fuel bottles must be purged of fuel and allowed to dry for shipping or to be transported. This can be accomplished by draining all fuel and leaving the tank/bottle uncapped for several hours.

Purged stoves/fuel bottles must be shipped to Philmont by U.S. Postal Service, Fed Ex Ground, and United Parcel Service (ground service only). Groups must include their Expedition number on the shipping label, mail to the shipping address on page above and allow ample time for the shipment to arrive at Philmont. At the conclusion of your Expedition, purged stoves/fuel bottles will need to be shipped from Philmont. Shipping information is available at Philmont's Mail Room upon arrival and prior to departure. You may want to bring your own prepaid shipping label for return shipping.

White Gas may be purchased at Camping Headquarters, Ponil, Baldy Town, Ute Gulch, Phillips Junction, Apache Springs, Miners Park, Rich Cabins, and Ring Place. Varieties of isobutane/propane fuel type canisters are available for purchase at Camping Headquarters, Ponil, Baldy Town, Ute Gulch, Phillips Junction, Apache Springs, Rich Cabins, Miners Park, and Ring Place. Empty isobutane/propane fuel canisters must be carried by crews back to Camping Headquarters for disposal.

**PHILMONT CANNOT TRANSPORT PERSONAL OR SPECIAL FUEL TO CREWS.** All liquid fuel containers should be spun aluminum or hard plastic bottles designed to carry fuel. A small pour spout or funnel is important to avoid dangerous spillage. Backpacking stoves are used with adult supervision and **never** in or near tents.

# Arriving at Scouting Paradise

---

Watch for the signs leading to the **Camping Headquarters Welcome Center**, located on State Highway 21, five miles south of Cimarron, New Mexico. That is where all crews arrive. Your first day at Philmont will be full of excitement and adventure as your crew completes the busy tasks of preparing to hit the trail.

## Arrival/Departure

Many months of planning lead up to your arrival at Philmont! Arrange your travel itinerary to arrive at Philmont between 8:00 am and 11:00 am on your **SCHEDULED** arrival day. Crews that arrive before 10:00 am will be able to complete Base Camp procedures and be ready to hit the trail **early** on their second day. **Please do not arrive a day earlier or depart a day later than scheduled unless required by airline or train schedules.** Scheduled Expeditions will have priority for base camp accommodations over groups arriving early or departing late.

**IF YOUR TRAVEL ITINERARY REQUIRES A LAYOVER, PLEASE BE SURE TO ENTER THIS INFORMATION IN THE ARRIVAL PLANS SECTION IN THE ROSTER AND ARRIVAL GATEWAY. LOGISTICS DEPARTMENT CAN VIEW YOUR INFORMATION ONLINE AND WILL PLAN FOR YOUR CREW'S EARLY ARRIVAL. IT IS NO LONGER NECESSARY TO EMAIL PHILMONT REQUESTING APPROVAL FOR AN EARLY ARRIVAL OR A LATE DEPARTURE IN ADVANCE.** All Layovers are limited to only one night extra on arrival or departure.

Early arrivals/late departures will be assigned trail tents for lodging unless platform tent space is available (platform tent space is very limited and is not released for early/late groups until late in the day. Please plan to stay in trail tents.) The charge for additional meals is \$6.00 per person/per meal and extra lodging is \$6.00 per person/per night if you use your own tents or \$10.00 per person/per night if you use Philmont tents. These additional fees will be collected upon check in at Registration.

If you are delayed enroute and will not arrive at your scheduled arrival date/time, please notify Philmont by calling (575) 376-2281 and ask for the Logistics Department.

**Your expedition begins with lunch on your arrival day (Day 1), you're off the trail on Day 12, and depart Philmont after breakfast on Day 13.** The Philmont fee covers 36 meals, 12 nights lodging, staff, and program supplies. Prorating for missed meals is not an option. Your arrival time will determine your first meal at Philmont. Meals are served at the following times:

	<b>Breakfast</b>	<b>Lunch</b>	<b>Supper</b>
<u>TRAILBOUND CREWS:</u>	6:30 a.m.	11:30 a.m.	5:00 p.m.
<u>HOMEBOUND CREWS:</u>	5:45 a.m. or 7:00 a.m.	12:15 p.m.	5:45 p.m.

Each Philmont Expedition concludes after breakfast on Day 13. On your departure day, Philmont offers either a Continental Breakfast at 5:45 a.m. or the Regular Breakfast at 7:00 a.m.; you will make your selection upon check-in at Philmont on Day 1. Continental breakfast will **not** be available prior to 5:45 am on the day of your departure.

Each crew departing Philmont should make every effort to schedule departure after 5:45 am. Very early departures disturb and prevent others from obtaining adequate rest before they start their long trip home.

## Meeting Your Ranger

Upon arrival, your assigned Ranger will meet with you to guide your crew through the many steps necessary to complete your check in. Please refer to the *Guidebook to Adventure* for outline of Day 1 activities. Please carry all of your Philmont material with you. **Having your Crew Roster (copy of online entry), CPR and Wilderness First Aid training certification, alphabetized medical forms, and any other required paperwork will save you time.**

## **Advisors Orientation, Crew Leader, Chaplain's Aide, & Wilderness Pledge *Guia* Meetings**

These important meetings start at 5:45 pm. Although they are separate meetings, attendance is required. The Advisors get last minute information; all Adult Advisors should attend the Advisors Orientation; the Crew Leader learns crew organization skills; the Chaplain's Aide becomes the crew motivator, and the Wilderness Pledge *Guia* learns responsibilities for helping the crew achieve wilderness ethics standards. By 6:45 pm, everyone is back together and off to Chapel Services conducted each evening at 7:00 pm in the Catholic, Jewish, Protestant, and LDS traditions. The Tooth of Time Traders and all Base Camp functions close so as not to interfere with religious services.

## **Philmont Museums**

Philmont maintains four world famous museums that you won't want to miss: the beautiful Villa Philmonte (Waite Phillips' summer home), the \*Philmont Museum and Seton Memorial Library and Gift Shop, the historic Kit Carson Museum at Rayado, and historic Chase Ranch House Museum. Each is open every day of the summer. Tours of the Villa are scheduled at the Philmont Museum. Daily bus service, at no charge, is available to transport crews to Rayado and the Chase Ranch for museum tours. Schedule this at Logistics.

\* Temporary location is near the Tooth of Time Traders. A new building is under construction during 2017 that will house the National Scouting Museum and Philmont Museum/Seton Memorial Library, "The Philmont Educational Center". The Museum houses history of the Boy Scouts of America, Philmont Scout Ranch, and the Southwest.

## **The Scouting Way**

Philmont is a large community made up of several thousand excited participants and dedicated staff members. It's a magical place where strong self-esteem is built as participants overcome the challenges of the trek. Our core values are expressed in the Scout Oath and Law. Philmont expects and requires everyone to do their best to live by these principals. The Boy Scouts of America prohibit language or behavior that is obscene, belittling, offensive to persons of the opposite sex, or contain racial or religious slurs.

## **Preserving Scouting's Paradise for Future Generations**

For more than seventy-five years, Philmont has been considered the finest youth camping and backpacking area in the world. Over 1,000,000 youth and adults have hiked the magnificent trails, camped in pristine campsites, and enjoyed spectacular views of the Rocky Mountains. Everyone must do their part to help preserve this wonderful place by **fully committing to Philmont's Wilderness Pledge!**

## **The Wilderness Pledge**

- **LITTER and GRAFFITI** — Each camper should make sure that all trails and campsites are left neat and clean. Camping Headquarters should be left in a like manner.
- **WILDLIFE** — Respect Philmont's wildlife, including livestock. Follow all guidelines regarding food handling and trash disposal. Never feed or harass wild animals.
- **WATER** — You are in a land where water is scarce and very precious. Conservation and wise use of water has been practiced since the first man entered this land. You must continue this proper use. You should **never** bathe, do laundry, or dishes in or near springs or streams. Everyone needs water, and you should always leave springs and streams as clean as you found them.
- **TRAILS** — Pledge yourself to respect all trails of Philmont. Do not cut green boughs or trees, or mark on them. Do not cut across switchbacks and do not alter or change trail signs.
- **CAMPsites** — Camp only in sites designated with a numbered wood block sign. Each crew is responsible for leaving a neat and orderly campsite, whether it is in Camping Headquarters, staffed camps, or trail camps. Your campsite must be left litter free with its latrine and sumps clean. Carry out all trash. Fires must be left DEAD OUT and then cleaned of debris before you depart. Leave a courtesy woodpile when possible. You should respect the feelings of those crews camping near you and those that will come after you.

Leave No Trace camping is practiced on Philmont and all neighboring properties utilized by Philmont. These techniques along with the Wilderness Pledge keep Philmont pristine and natural.

### **Turkey Bags**

A common food preparation inquiry amongst crews travelling to Philmont relates to the use of oven cooking bags, or as they are sometimes called, “turkey bags”. Though their use may be a common practice on camping or backpacking trips on the local level, Philmont **requires that units DO NOT** use this cooking method while on an expedition at Philmont. Rangers will teach the proper cooking and cleaning procedures to the crew at the beginning of the trek using pots, camp suds, hot water, and Philmont sumps. This is an important skill for crew members to learn, and helps reinforce the Patrol Method on the trail by rotating this valuable position on the crew duty roster to all members of the crew.

Other concerns with the “turkey bags” are the environmental impact and the impact to bear and wildlife procedures. 2,500 crews x 10 days on the trail could create over 50,000 bags that take up scarce space in the backcountry, require more trucks to transport the bags to base camp, and then cost more to be hauled to the landfill. Also, with 50,000 bags worth of food residue, the potential for increased odors that are carried in backpacks, hung in bear bags, or left in refuse containers, will certainly create an impact to Philmont bear and wildlife procedures. Your cooperation in this effort will help support Philmont’s multiple sustainability initiatives and will make a positive and lasting impact on the environment. Waite Phillips would appreciate our hope to be good stewards in northern New Mexico.

### **Smart Phones**

In an age of technology, smart phones are a common tool to use in everyday life. While backpacking in the wilderness of Philmont is an experience best enjoyed without the distractions of technology, Philmont recognizes that their use is more common than ever. Photographs and videos can be taken on these phones, solar chargers are widely available, as well as a number of useful outdoor “apps”.

If it is imperative that a smart phone be taken on the trail, please ensure that it is being utilized in a way that enhances the Philmont experience, not detracts from the adventure for your crew or that of other crews on the trail. Download apps that will help the learning experience! Find a good star/constellation app, or an animal tracks/scat/calls app, compare bird calls you hear on the trail with a bird call app, or even the Boy Scout Handbook app might prove useful on the trail! Reserve texting and phone calls for emergency use only, make it a contest to see how long crew members can go without using their phone! (Keep in mind that there are NOT opportunities to recharge a smart phone, camera, or other electronic devices in the backcountry.)

### **Contribute to Philmont’s Conservation Plan**

Your crew is going to have the awesome privilege and opportunity to work for 3 hours on a conservation project with the Philmont Conservation Department. Working for 3 hours is required to earn the Philmont Arrowhead Patch. Ten hours of conservation work is required for the Fifty-Miler Award. The three hours earned at Philmont can be applied to the Fifty-Miler Award — the other seven may be acquired back home. Some or all of the other seven hours may also be acquired at Philmont. Several itineraries pass through more than one conservation worksite. A minimum of three hours, however, must be spent doing trail construction or other projects supervised by a trained Philmont staff member.

For 2017, Philmont has Conservationist worksites at Hidden Valley, Flume Canyon, Whistle Punk, Crater Lake, Harlan, Indian Writings, and several locations in the Valle Vidal. There are also six small sites that are on one itinerary each.

Additional information about these conservation locations will be shared with your crew during Trip Planning at Logistics on Day 1 and by your Ranger. Most conservation projects at Philmont consist of new trail construction, repair of existing trails, campsite improvement, timber stand improvement, stream restoration, etc. Sound management and conservation projects are vitally important when over 22,000 people use the backcountry each year. Long pants and hiking boots are needed for all conservation projects.

# 2017 Itineraries

---

Philmont has many wonderful program opportunities, but arguably, the most important program is “The Hike.” “The Hike” could be defined as hiking up a valley or over a mountain, facing and overcoming challenges as a crew, working together to succeed, being caught in a thunderstorm, laughing and telling stories during dinner at a trail camp, enjoying moments of complete solitude, deeply thinking about how you might make a difference in the world (or in your crew), and fully seizing each moment you have in these New Mexico mountains. “The Hike” can be defined in many different ways, many that your crew will discover and redefine during your trek. Philmont encourages you to think about the program opportunities that your crew would like to participate in while you are here, but also encourages you to always place a high emphasis on the importance of “The Hike.”

Philmont’s backcountry remains pristine largely because of the preplanned itinerary system. With thirty-five itineraries to choose from, a crew can take advantage of many unique program features and select a hike that meets the physical ability of each crew member. Following a preplanned itinerary helps Philmont know the locations of each crew for contact should an emergency arise. This plan is also a vital part of Philmont’s overall conservation and wilderness ethic.

Each itinerary is reviewed annually and changes are made as needed. When selecting your 2017 itinerary, **DO NOT USE A PREVIOUS BOOK** or rely on any itinerary you might see on the internet other than Philmont’s official website [www.PhillmontScoutRanch.org](http://www.PhillmontScoutRanch.org). **THESE ARE THE ONLY OFFICIAL PHILMONT ITINERARIES FOR 2017.**

Crews will review the 35 available itineraries and select 6 that they would like to take. The crew will be assigned one of these five choices in almost every case. This assignment will be made during the Itinerary Selection process described on Page 16. (Sister Crews will need to select 8 itineraries.)

## The Challenge

Most crews choose either a “challenging” or “rugged” itinerary. Hiking with a heavy pack in elevations from 6,000 to nearly 12,500 feet is a major physical challenge. It is not possible to “acclimatize” by spending a few days at elevations one is not accustomed to. Altitude sickness can usually be avoided by not sleeping above 9,000 feet for the first few days on the trail. Philmont considers this and many other factors when planning the itineraries.

Youth participants are usually fully capable of mastering the challenge. Many adults who lead sedentary lifestyles have great difficulty and could potentially be placing themselves in harm’s way. Refer to the *Council & Unit Planning Guide* for physical preparation suggestions.

## Itinerary Rating

The rating or degree of difficulty of each itinerary is determined by many factors such as mileage, elevation changes, number of layover days, days to carry food, distances to water sources, and topography to name a few. A little practice using the enclosed Philmont Overall map will show many areas where there are steep climbs and descents. When contour lines are closer together, the terrain is steeper. The contour interval on the overall map is 100’. Philmont’s North and South Sectional Maps have 50 foot green contour lines.

A “**Challenging**” itinerary will allow the crew more time for program. It also allows time to do some interesting side hikes, visit backcountry trading posts, take showers, and enjoy the solitude of the backcountry trail camps.

A “**Rugged**” itinerary, although offering more physical challenge, is very enjoyable for a crew that has trained. It also offers a variety of exciting program.

A “**Strenuous**” itinerary is just as it sounds. A great experience for a crew of physically fit, Scouts, Venturers, and capable adults. More time is devoted to hiking; however, a well prepared crew can still experience several programs. Many seasoned crews who have hiked together several years choose a strenuous itinerary.

A “**Super Strenuous**” is, by far, the most difficult and, for early rising Philmont crews, very rewarding! These few itineraries are highlighted by climbing some of Philmont’s highest peaks and hiking long days of many miles. These itineraries should be attempted by older, more experienced crews where every person is in good physical condition.

### **Itinerary Distances**

The description of each itinerary shows a distance in miles. This distance is calculated from the GIS map shown for the itinerary. Be aware that this distance is measured from camp to camp and does not include some side hikes (except for Baldy Mt. and the Tooth of Time), going to or from conservation sites, or hiking to program areas. Because of this, most crews can expect to actually cover 25% to 30% more mileage than what is shown. Providing the mileages in this document gives you a consistent, comparable distance between itineraries.

### **Itinerary Assignment**

Philmont assigns only two crews each day to the same itinerary. **Each crew must hike independently. The maximum crew size is 12 people and the minimum crew size is 7 people, including adult Advisors. These standards are strictly enforced. Each crew is required to have a majority of youth participants, and the maximum number of adults (21 and over) is four (4) per crew.**

### **Crew Rendezvous**

Often crews from the same troop or contingent would like to spend time in the same camp. This rendezvous can be planned by choosing itineraries that would be in the same camp on the same day. Please refer to the **Itineraries At A Glance** chart on pages 24 & 25, and the **Itinerary Rendezvous Locations** table on pages 26 & 27.

### **Selecting Your Itinerary**

The three tools your crew needs to make their six (6) top itinerary choices (or 8 for Sister Crews) are:

1. Philmont overall map included in this packet – after your crew receives itinerary confirmation, you should purchase the North or South Country sectional map(s) suggested at the bottom of the itinerary description pages, for more accurate navigation. These can be found at **www.ToothofTimeTraders.com**
2. *Guidebook to Adventure* which gives a brief description of the available programs
3. *PHILMONT TREKS - 2017 Itinerary Guide*

### **Tips for Selecting an Itinerary**

First of all, the itinerary must be the **youths’** decision! The crew’s six choices must meet each crew member’s physical ability and should be choices the crew is willing to hike, if assigned. The itinerary should be a balance of exciting program features (many of which are repeated at several locations) and quality hiking. Every itinerary offers a full Philmont experience.

Many crews determine their own unique method of choosing their top six (6) itinerary choices and some tried and true methods are:

1. based on your conditioning program, determine the level of difficulty that best suits the crew.
2. to have each crew member select their six (6) favorite program features from the list in the front section of this book.
3. to tally votes for each program and use the chart at the front of this guide, **Programs/ Itineraries / Camps** (page 23) and the **Programs Included In Itineraries** chart (page 21) to find the itineraries that have most of the programs desired by the crew.

The description page for each itinerary, located opposite the sketch map and elevation graph, lists the camps where the crew will spend the night, program features they may participate in each day, commissaries where the crew will pick up food, and potential conservation sites. When a crew is assigned an itinerary, **it is required to spend the night in the camps and pick up food at the commissaries shown.**

The program features listed are, in most cases, programs that an average, motivated crew may participate in. They do not in any way guarantee that a crew will be able to do all the programs shown. This can vary depending on how fast a crew hikes, what time they get on the trail in the morning, weather, crew dynamics, and other conditions. Crews may also be able to participate in programs that are in camps enroute to their daily destination — “pass through” programs. In these instances, while special, abbreviated programs may be available, crews should not expect to participate in the full program offering available to crews that selected their itinerary to include a camp/program. The Crew Leader should check with the backcountry camp staff when arriving at a “pass through” camp to see what may be available.

### **Itinerary Programs**

A few programs such as the Chuck Wagon dinner, horse rides, and the use of burros for equipment packing require scheduling when the Crew Leader and Crew Advisor meet with their Trip Planner in Logistics.

There are a few itineraries where programs are listed with an “**OR**” condition. For example: “Side Hike Tooth of Time **OR** Chuck Wagon Dinner & Horse Rides”. Crews must select the programs(s) they wish to take part in during Trip Planning in Logistics (either the Tooth of Time side hike **OR** the Chuck Wagon Dinner & Horse Rides in this example). It is not possible or practical to be able to do all the programs listed and selection of one of the choices will permit the proper meals to be scheduled to be picked up.

Before making a final itinerary selection, crews should check the Philmont website [www.PhilmontScoutRanch.org](http://www.PhilmontScoutRanch.org) under the 2017 Itineraries link for any updates that may have occurred. Various tables and charts in this book are published to the website with a date indicating that they have been updated.

### **Burro Packing**

If your crew chooses an itinerary that includes burro packing and is assigned that itinerary they **MUST TAKE THE BURRO**. Not only is burro packing a real part of Philmont’s history and lore, it’s a great way to lighten everyone’s load! Each crew on a burro packing itinerary will be issued one or two burros and will be provided training in how to pack and care for the burros. Be sure to pick a name for your burro(s) and take many photos with it and your crew!

### **Reserving Your Itinerary**

Philmont utilizes an internet-based procedure for you to tell us your itinerary wishes. Crews access the internet thru the Roster and Arrival Gateway to enter their itinerary choices online. The crew will receive their itinerary assignment as they conclude their session. Please read the instructions below related to this process.

*View color screenshots of entire process: [philmontscoutranch.org/rosters](http://philmontscoutranch.org/rosters)*

### **Key Terms For Reserving Your Itinerary**

**Crew Roster:** Every crew hiking in the Philmont backcountry must submit important participant information online prior to arriving at the Ranch. Philmont logistical and medical staff utilize the information found in each roster to understand the location and safety of every backcountry participant should an emergency arise.

**Reservation Contact:** This person created the initial Philmont reservation and has been the primary contact for payments and planning. Sometimes the reservation contact also plays the role of a Lead Advisor. Once inside the Philmont Roster & Arrival Gateway, Reservation Contacts have the option to view and modify information for every crew roster in their reservation.

**Lead Advisor:** Each Philmont crew has one designated Lead Advisor. This adult organizes their crew and enters information for each crew member into the Philmont Roster & Arrival Gateway prior to arriving at Philmont. In addition to participant information, the Lead Advisor also submits their planned Philmont arrival and departure travel information online.

**Sister Crew:** 12-day 2017 crews will have the option to request to hike with another 12-day crew which has a matching reservation arrival-day. 12-day trek Lead Advisor's may select a Sister Crew as soon as they access their crew roster which was emailed in February. Once a sister crew arrangement has been confirmed by both crews, either crew's Lead Advisor may submit itinerary preferences for both crews when the Itinerary Selection process launches April 4 & 5, 2017 at the designated time on your Gateway.

## 1. Reservation Contact **Only**

- A. **Receive access link:** On February 15, 2017, you will receive an email from [rosters@registerphilmont.org](mailto:rosters@registerphilmont.org) with a link providing access to the Philmont Roster & arrival gateway.
- B. **Enter Password:** For security purposes, we've saved the login password that you created during the initial Philmont registration process. If you can't remember this password when you reach the Roster Gateway login screen, please reset your password by clicking the text that reads "[Forgot Your Password?](#)".
- C. **Create password:** The first time you click the link to enter the Philmont Roster & Arrival Gateway, you'll be asked to create a password. You will use this password to access the Philmont Roster & Arrival gateway until the day your crew arrives.
- D. **Your contact information:** Enter your contact information.
- E. **Are you a Lead Advisor?** Click 'No' on the screen which asks if you'll also be a Lead Advisor.
- F. **Identify each Lead Advisor:** On the following page(s) match the first name, last name and email address of your Lead Advisor(s) to their correct expedition.  
**NOTE:** Reservation Contacts who access the Roster Gateway and identify each Lead Advisor prior to April 1, 2017 increase their crew's likelihood of receiving their top itinerary priority.
  - a. **Lead Advisor receives email:** Once a Lead Advisor's information is submitted, they will receive an email from [rosters@registerphilmont.org](mailto:rosters@registerphilmont.org) with a link providing access to the Roster Gateway.
- G. **Get started early:** The Philmont Roster & Arrival Gateway is a planning tool:
  - a. See which CPR & Wilderness First Aid requirements have been met.
  - b. Understand if any youth/adult requirements have not been met.
  - c. Quickly remove, restore or add participant information as roster changes occur.
  - d. Easily print your crew's Philmont roster.

## 2. Reservation Contact who is **also** a Lead Advisor

- A. **Receive access link:** On February 15, 2017, you will receive an email from [rosters@registerphilmont.org](mailto:rosters@registerphilmont.org) with a link providing access to the Philmont Roster & Arrival Gateway.
- B. **Enter Password:** For security purposes, we've saved the login password that you created during the initial Philmont registration process. If you can't remember this password when you reach the Roster Gateway login screen, please reset your password by clicking the text that reads "[Forgot Your Password?](#)".
- C. **Create password:** ( Reservation Contacts who did not register for 2016 online. ) The first time you click the link to enter the Philmont Roster & Arrival Gateway, you'll be asked to create a password. You will use this password to access the Philmont Roster & Arrival Gateway until the day your crew arrives.
- D. **Your contact information:** Enter your contact information.
- E. **Identify yourself as a Lead Advisor:**
  - a. Reservations with only one crew: Click 'Yes' on the screen which asks if you will be the Lead Advisor.
  - b. Reservations with multiple crews: Choose the crew with the correct expedition number and then click 'Yes' confirming that you will be the Lead Advisor for this crew.

- F. Identify remaining Lead Advisor(s) for reservations with multiple crews:** On the following page(s) match the first name, last name and email address of your Lead Advisor(s) to their correct expedition and itinerary number.
- Once a Lead Advisor's information has been submitted, they will receive an email from [rosters@registerphilmont.org](mailto:rosters@registerphilmont.org) with a link providing access to the system.
- G. Enter additional information about yourself:** This information is required for all backcountry participants.
- H. Sister Crews (12-day expeditions only):** Establishing a Sister Crew Arrangement ([Any time after February 15, 2017](#))
- Click the purple 'Itinerary Selection' button near the top of your Crew Roster page.
  - Click the 'Choose a Sister Crew' button.
  - Select your desired Sister Crew from the drop-down list of available crews.
  - NOTE: The Lead Advisor of your desired sister crew will be prompted to accept this sister crew arrangement the next time they access their crew roster page.
  - Working with the Lead Advisor of your desired Sister Crew, finish confirming your Sister Crew arrangement before [April 19, 2017](#) will prevent delays and increase your opportunity to receive one of your top itinerary priorities.
  - Any Sister Crew arrangement may be canceled when either crew clicks the 'Cancel' link in the blue Sister Crew bar that appears at the top of their roster.
- I. Itinerary preferences:** You must access the Roster Gateway and submit all of your own personal information before you will be able to submit your crew's itinerary preferences. On [April 4th](#) **See your roster for your exact selection time.** (pending any requested sister crew arrangements), upon logging into the Roster Gateway, as the Lead Advisor, you will be prompted to prioritize a minimum of 6 itinerary preferences. Once you've submitted your priorities (for a 12-day expedition) the Gateway will instantly confirm your itinerary assignment. **Note:** If none of your crew's preferred itineraries are available, the Roster Gateway will prompt you to submit a minimum of 3 additional itinerary preferences.
- J. Arrival/departure information:** You'll be asked to verify and update your arrival and departure travel information. If you don't know their details, skip this step for now.
- K. Participant information:** Click on the 'Modify' button in the row that corresponds to the crew you wish to begin adding participants to.
- You're in the roster: As the Lead Advisor, you'll see your information has already populated the first row of the roster.
  - Roster Information: Collect a completed copy of the Roster Information Worksheet from each participant.  
( [registerphilmont.org/files/RosterInformationWorksheet.pdf](http://registerphilmont.org/files/RosterInformationWorksheet.pdf) )
  - Add adults: Click on the green 'Add Adults' button in the top section of the blue roster. Complete all required fields and click 'Save'.
  - Add youth: Click the green 'Add Youth' button in the bottom section of the blue roster. Complete all required fields and click 'Save'.
- L. Get started early:** The Philmont Roster & Arrival Gateway is a planning tool.

### How Do You Get Ready?

- After the *PHILMONT TREKS 2017 Itinerary Guide* arrives, your Crew Leader should work with the crewmembers to determine the crew's six desired itinerary numbers in priority order.
- Fill out the Itinerary Selection worksheet

### The Crew's Process

- The crew should determine their six itinerary choices.
- While selecting the top six choices, the crew should consider additional options. In 2015, 3% of crews did not receive one of their top six choices. Many of these crews waited to register late in the season.
- The Crew Advisor will have received the passcode provided by Philmont and provides it to the person designated to enter the itinerary selection information when Itinerary Selection worksheet is complete.
- The designated Processor signs on to the Itinerary Selection website on or after the assigned date when the selection process is opened for processing with the crew's Expedition number and passcode and enters the information from the worksheet. This includes contact information as well as the six itinerary selections. If transportation and arrival information is known, it may be entered at this time. The arrival and departure information may also be entered in the new "Philmont Roster and Arrival Gateway."
- When the information has been entered correctly, the Processor will "Submit" it.

- The system will assign the crew's itinerary from the six choices entered. If none are available, the Processor will be asked to enter six new choices.
- The Processor prints the Itinerary Assignment page.
- An email will be sent to the Crew Advisor confirming the assignment. This will be sent to the contact information entered by the Processor.

### **Philmont's Neighbors and Land Use Agreements**

Philmont is privileged to utilize over 100,000 acres of its neighbor's property for hiking and camping purposes. To maintain and build upon these solid partnerships, it is imperative that each Philmont participant and staff member responsibly enjoys, respects, and adheres to the land use agreements that are in place at all times.

Leave No Trace and Low Impact camping/hiking methods are used in agreement with each of our neighboring landowners. These responsible camping/hiking methods have earned both Philmont and Scouting high praise. Crews trekking into our neighboring properties be instructed in Leave No Trace and Low Impact methods.

### **Valle Vidal Unit of the Carson National Forest**

Since 1988, Philmont has trekked through pieces of the 100,000 acre Valle Vidal. Today, Philmont utilizes roughly 59,000 acres in the Colfax County portion of the property. The Valle Vidal borders Philmont near Dan Beard, Rich Cabins, and Philmont's North Ponil country. It is home to New Mexico's largest wild elk herd. As a part of Philmont's special use agreement with the Forest Service, we agree to do meaningful conservation services and practice Leave No Trace Camping in the Valle Vidal.

Some of the most popular programs such as mountain biking, search and rescue, astronomy, and folk weather forecasting are located at the Valle Vidal camps of Whiteman Vega, Seally Canyon, and Ring Place. Another great feature of the Valle Vidal is the ability for a crew to "bushwhack" from location to location using only map and compass or GPS. There are few established trails, but navigating through large ponderosa pine stands is a beautiful and rewarding challenge. There are also Low Impact Camps located in the Valle Vidal where your crew has a high likelihood of experiencing a night under the stars by themselves.

Philmont crews that trek into the Valle Vidal are shining examples of Scouting's commitment to being good stewards of the National Forests. As our public lands become less wild, it behooves us all to take advantage of this rare opportunity to experience the grandeur of the amazing Valle Vidal. Philmont has redesigned the Valle Vidal itineraries to offer even more exciting programs, including climbing Little Costilla Peak and Ash Mountain South. Each crew that successfully chooses a Valle Vidal itinerary will need a North Country Sectional map, which can be purchased at [www.ToothofTimeTraders.com](http://www.ToothofTimeTraders.com).

### **Kimberlin Ponil Ranch**

Philmont has been hiking across 10,000 acres of the 20,000 acre Kimberlin Ponil Ranch since 2004. The ranch serves as a corridor for crews hiking to the Valle Vidal via Abran Canyon and the North Ponil Creek. Crews access the Ponil Ranch from Philmont just to the north of Metcalf Station. Philmont's land use permit with the Kimberlin Ponil Ranch is for Leave No Trace hiking only. Overnight camping is not permitted.

### **Barker Wildlife Area**

Philmont has been hiking across the Barker Wildlife Area since 1964. The 5,600 acre property is owned and operated by the New Mexico Department of Game and Fish. Philmont's land use agreement with the Barker is for Leave No Trace hiking only. Overnight camping is not permitted.

### **Vermejo Park Ranch**

Philmont uses two separate sectors of Ted Turner's Vermejo Park Ranch. The 11,000 acre Greenwood Tract, used since 1990 serves as a corridor from the Valle Vidal to Philmont and vice versa. The 11,000 acre Heck Place used since 2011, serves as starting/ending camps and as program area for the Slate Hill Geocache. Leave No Trace hiking and overnight camping are permitted on both the Greenwood and Heck.

### **Chase Ranch**

In 2013 Philmont entered into a long term land use agreement with the Chase Ranch Foundation. The agreement says that Philmont will assume full responsibility for the operation and management of the 11,000 acre Chase Ranch, protection and preservation of its historic structures, and development of educational programs for both Philmont participants and the general public. Founded in 1867 by Manly and Teresa Chase, the ranch remained continuously owned by their descendants until the passing of their great-granddaughter Gretchen Sammis, in August 2012. Subsequent to Gretchen's death, ownership of the ranch transferred to the Chase Ranch Foundation, which she had created for the purpose of preserving the property and her family's heritage in perpetuity.

### **On The Trail**

Whether hiking on Philmont, the Valle Vidal, or our neighbor's land by permission, crews are expected to travel responsibly — stay together, practice Scouting values, and use proper wilderness ethics. As the adult Crew Advisor, you are the chief morale officer. **Due to potential emergencies situations, such as catastrophic fires, Crews must not deviate from their assigned itinerary.** Changes are only permitted for bona fide medical emergencies and must be approved in advance by the Logistics Department.

### **The Philmont Experience**

Each of the 35 pre-planned itineraries provides numerous exciting programs offered at backcountry program camps. The itineraries are specifically designed to provide crews with the programs that they have selected on their trek. Crews that stay in staffed camps normally have their first choice of the programs offered. Crews passing through these camps are not scheduled for program. If time and space allow, some crews **may** be able to participate in some of the programs while passing through. Trail camps offer crews a time to relax, bond as a team, and build lifelong memories. Philmont is a total experience! Plan for a balanced trek and enjoy the serenity of the mountains.

### **The Essentials for Hiking at Philmont Scout Ranch**

- **Map & Compass\*** - and the ability to read a map and use a compass.
- **Sun & Insect Protection\*** - sunscreen, broad brimmed hat, sunglasses, insect repellent.
- **Water & Extra Food** - a minimum of 4 quarts of treated water is **essential** in the Southwest.
- **Rain Gear & Extra Clothing** - preferable a breathable rain suit with jacket and pants. Daytime temperatures can drop to 40 degrees F during the summer; nighttime temperatures can drop below freezing. Wool and/or polypro or other synthetic fabrics are recommended. Cotton clothing is not suitable for retaining body heat.
- **First Aid Kit\***- adequate to treat common injuries that may occur on a hike, including latex gloves for protection from blood borne pathogens.
- **Matches\***- for building a small campfire if necessary for warmth, drying clothing, or boosting morale.
- **Pocket Knife\***- a Swiss army knife with several tools is recommended.
- **Watch\***- an inexpensive watch will help you stick to the scheduled itinerary. This can be attached to your pack or Daypack.
- **Flashlight** - for use if darkness overtakes you during your hike or an emergency requires that you hike after dark.
- **Whistle** - a simple whistle for use as a signal to alert others of your location.

The Essentials should be carried on all hikes including side hikes. Once you are ready to go be sure to tell someone your itinerary including when you plan to return.

**Itinerary 1**

**Challenging (maximum program time) - 56 miles**

*If your crew enjoys a lot of program opportunities and fishing cool mountain streams... this trek is a great choice! Feel free to bring your fishing equipment and fish some of the best mountain streams you will ever come across. Start your trek by visiting famous pioneer Kit Carson's home at Rayado, along the Santa Fe Trail, before following the river to Olympia and Abreu. Enjoy the Mexican homestead and cantina as you listen to the waters of Rayado Creek rush past your campsite. Help the staff at Carson Meadows with a search and rescue mission before entering beautiful Rayado Canyon. Your next stop is Fish Camp, where you will discover why Waite Phillips loved to spend time on the banks of the Rayado and Agua Fria. Pass through Apache Springs on your way to Bear Canyon for a food pickup and turn at one of two archery ranges. From there, hike to Phillips Junction and fish the Rayado all the way to Porcupine, and on to Clear Creek, where you will hear booming .50 caliber muzzle loading rifles as you hike into camp. The Rocky Mountain Fur Company will welcome you and let you take target practice with their rifles and tomahawks. Work on a forest restoration project before tackling the mountains. The trek up Mount Phillips will be challenging, but viewing Wheeler Peak, the Moreno Valley, and Baldy Mountain will be an unparalleled reward. After a night at Red Hills, you will be ready to summit Black Mountain and head over to Clarks Fork for branding, chuckwagon dinner, and a cowboy campfire. Enjoy a morning horse ride before fishing the picturesque Cimarroncito Reservoir and touring Mr. Phillips' Hunting Lodge. Test your rock climbing skills at Cimarroncito before camping at Minette Meadows for the night. Enjoy the view of Baldy Mountain during your last few miles on the trail to the Ute Park Turnaround! Next stop... Base Camp!*

**Itinerary 2**

**Challenging (maximum program time) - 55 miles**

The ATV Rider Course and Trail Ride is a unique opportunity for crews choosing this trek! Start out by traversing across Lovers Leap and hiking to Urraca where you will be participate in crew building challenge events. Enjoy their campfire and rest well, but be sure to wake up for the sunrise at Inspiration Point. Be amazed as first light hits the Tooth of Time! From there, hike to Zastrow for a conservation project, followed by the chance to hone your land navigation skills. The following day, your crew will take the ATV Rider Course, which is administered by Philmont's All-Terrain Vehicle Safety Institute certified instructors. After completion of the training course, put your skills to the test on a specially designed ATV trail that is sure to be a memorable experience. Enjoy Dutch Oven Desserts and the Rededication to Scouting Program. Continue your trek by hiking to Abreu and beautiful Lower Bonito. Be sure to hike through Lookout Meadow and over Lookout Peak on your way to Fish Camp. You might even see the small elk heard that frequent the surrounding mountains. At Fish Camp, learn to tie flies and fish the Agua Fria and Rayado Creeks, just as Mr. Phillips loved to do. Experience his fishing lodge while stepping back in time to the 1920's. From there, hike to Apache Springs where you will enjoy shooting lifelike 3-D targets and learning about the Jicarilla Apache. Continue to Buck Creek for the night, pick up food at Phillips Junction, and enjoy the walk along the Rayado Creek all the way to Clear Creek. Be ready to fully experience the Rocky Mountain Fur Company and shoot booming .50 caliber muzzle loading rifles. Hike over Mt. Phillips, before camping at Thunder Ridge and shooting .30-06 rifles at Sawmill. Camp at Lower Sawmill and enjoy hiking out through the Cimarroncita Ranch to the Ute Park Turnaround! Next stop... - Forest Restoration

**Itinerary 3**

**Challenging (maximum program time) - 57 miles**

*Is your crew looking for a program packed itinerary, including sunrise and sunset from Philmont's highest camp? Look no further. This trek begins by exploring Philmont's newest property addition, the Cimarroncita Ranch. Enjoy views of Baldy from Minette Meadows. Hike through Ute Park pass before rock climbing at Cimarroncito. From there, the cool hike up the North Fork Cimarroncito Creek will let you focus on the wildflowers and aspens instead of the heat. At Cyphers Mine, Charlie Cyphers and his miners will teach you how to blacksmith, mine for gold, and treat you to mining music at night! Next, the trek up Mount Phillips will be challenging, but seeing the sunset over Wheeler Peak and the Moreno Valley will be an unparalleled reward. Wake up early for sunrise over Deer Lake Mesa and head down to meet the mountain men of Clear Creek. Shoot .50 caliber muzzle loading rifles before resting at Comanche Creek Camp for the night. From there you will learn how the homesteaders made a living in the mountains at Crooked Creek. At Apache Springs, you will shoot 3-D animal archery targets, learn the ways of the Jicarilla Apache, and work on a forest restoration project. Enjoy the hike down the Agua Fria to Fish Camp where you will tour Mr. Phillips' fishing lodge, learn how to tie flies, and fish the same waters that he loved so dearly. The next morning, hike down Rayado Canyon past Lookout, Crater, and Rayado Peaks on your way to the Notch, and then help the staff at Carson Meadows with an important search and rescue mission. From there, enjoy a delicious Mexican dinner and a cool root beer at the Abreu cantina, but be sure to prepare yourself for the final leg of your journey... Lovers Leap and the Tooth of Time!*

At Harlan, your crew will learn how to reload shotgun shells before practicing their marksmanship at a scenic shooting range. From there, try several new climbing routes at Cimarroncito before side hiking Hidden Valley and working on a trail project with the Conservation Department. Enjoy the view from Window Rock and tour Mr. Phillips’ Hunting Lodge on your way back to Cimarroncito. Depending on the weather, your crew may then have an opportunity to side hike the Tooth of Time from Shaefers Pass. Next, hike the lush North Fork Urraca Creek to Black Mountain Camp. Post-Civil War Union Soldiers will welcome your crew and share their knowledge of living on the western frontier. You’ll shoot .58 caliber muzzle loading rifles and learn blacksmithing skills that were vital for the time period. Your crew will then head to Beaubien for horse rides, a chuckwagon dinner, and cowboy campfire. Take the opportunity to side hike to Fish Camp on your layover day and leave no questions unanswered as to why Mr. Phillips loved to spend time on the banks of the Rayado and Agua Fria. Hike over Trail Peak to Crater Lake for spar pole climbing, and camp at serene Bear Caves for the night. Enjoy the view from Aguila and cap off your trek with a wonderful Mexican dinner and root beer at Abreu. Hike through Zastrow for your final geocaching challenge. Next stop... Base Camp!*

**Challenging (maximum program time) - 59 miles**

*This program intense trek follows rushing streams, discovers mountain meadows, and traverses lofty peaks across Philmont's South and Central Country. You will start your trek with a gorgeous sunset at Toothache Springs. Stop by Abreu for a cool root beer before hiking to Carson Meadows, where your crew will help the staff with a search and rescue mission. From there, hike west to the Notch and enjoy the overlook of Rayado and Bonito Canyons. Stellar views of Rayado, Crater, and Lookout Peaks will then be seen from the south side of the canyon as you continue on to Fish Camp. Enjoy fishing the same banks of the Rayado and Agua Fria Creeks as Waite Phillips. From there, your crew will spend two days in some of the most pristine country the southwest has to offer at Apache Springs. You will learn about the Jicarilla Apache and test your archery skills on our sporting arrows range. Enjoy the sweat lodge before hiking to Crooked Creek and exploring the homestead. Your hike to and stay at Wild Horse is guaranteed to be memorable, as it is one of our most beautiful trail camps. Next, booming .50 caliber muzzle loading rifles and mountain men await you at Clear Creek before the challenging hike up Mt. Phillips and Comanche Peak. The hike will be tough, but seeing the sunrise from Comanche Peak Camp will be an unparalleled reward. From there, work on a trail project with the Conservation Department near Whistle Punk Camp, on your way to Sawmill. Shoot .30-06 rifles before testing your skills on several new climbing routes at Cimarroncito. Visit the Hunting Lodge, Demonstration Forest, and Clark's Fork for horse rides before ascending the Tooth of Time on your way into Base Camp!*

**Itinerary 6**

**Challenging (maximum program time) - 58 miles**

*This great itinerary will give you plenty of options for participating in exciting program and bagging rugged mountains in Philmont's Central and South Country. Start by hiking over Lovers Leap on your way to visit the Continental Tie and Lumber Company at Crater Lake. You will climb spar poles, cut railroad ties, and take part in the logger's Company Meeting at a picturesque campfire bowl overlooking the Tooth of Time. After completing a conservation project at Crater Lake, head to Miners Park for some rock climbing. Follow the lush North Fork Urraca Creek to Black Mountain Camp. Post-Civil War soldiers will welcome you to their outpost and let you shoot their booming .58 muzzle loading rifles. Our most remote staff camp, Crooked Creek, is a great opportunity to learn the homesteading skills prized by early settlers. You will get show off your tomahawk throwing skills at Clear Creek before climbing up Mt. Phillips. It will be challenging, but seeing the sunset over Wheeler Peak and the Moreno Valley will be something your crew never forgets. Hike over Comanche Peak before descending to Cyphers Mine for gold panning and a mine tour. From there, hike the Middle Fork Cimarroncito Creek to the Hunting Lodge, where you'll see how Mr. Phillips would have lived and hunted in the 1930's. Restock on supplies at Ute Gulch, and spend the night at beautiful Aspen Springs. Enjoy the view from Window Rock, and preview the hike ahead of you from the top. Hike past the Cimarroncito Reservoir and visit the Demonstration Forest before approaching your final challenge... The Tooth of Time!*

**Itinerary 7**

**Challenging (maximum program time) - 56 miles**

Beautiful peaks, lush valleys, and exciting program fill this Central and South Country trek. Your crew will have a great first night at Cathedral Rock Camp before rock climbing at Cimarroncito. Enjoy the solitude of serene Webster Parks for the night. The next day, you'll follow a lightly traveled trail on your way up beautiful Sawmill Canyon. Learn to reload and shoot .30-06 rifles when you arrive at Sawmill. Hike over Comanche Peak on your way to Mt. Phillips Camp and be sure to watch one of the best sunsets at Philmont from the western summit. Views of the Moreno Valley, Wheeler Peak, and Baldy Mountain will be a prized reward for the hard work that it took to get there! Enjoy firing .50 caliber muzzle loading rifles at Clear Creek before camping at Porcupine for the night. At Beaubien, test your roping skills, eat a chuckwagon dinner, ride horses, and kick back for a cowboy campfire. Work on a forest restoration project before hiking over Trail Peak to check out the wreckage of a B24 Bomber that crashed on top in 1942. Continue on over Fowler Mesa and through Aguila where another view awaits your arrival. Hike on to Abreu where you'll enjoy a cold root beer at the cantina and a Mexican dinner at the Mexican homestead. Next, continue on to Urraca, where you will test your crew's skills on the challenge course and be treated to an evening campfire that tells of the mesa's haunted past. Wake up early and watch the sunrise from Inspiration Point to preview your final challenge. Navigate across Lovers Leap, scale the Tooth of Time, and hike all the way to Base Camp to finish your trek!

If your crew is interested in rock climbing, this CLIMBING TREK will be their first choice! This trek will give you an opportunity to climb at both Miners Park and Cimarroncito. Your two day stay at Cimarroncito will give you a chance to climb their legendary rock routes and expand hands on learning experience. Climb, rappel, and test your knot skills in the Anchor Rodeo. Hike through Shaefers Pass on your way to the Demonstration Forest and Waite Phillips' Hunting Lodge. Your two day stay at Cimarroncito will give you a chance to climb their legendary rock routes and expand your climbing knowledge. In addition to the regular routes, you'll have a chance to prove your skills on several new climbs during Advanced Rock Climbing Instruction. From there, head north, across the Cimarron River and up to Head of Dean for challenge events with your team. Drop into Miranda for the Mountain Man Rendezvous on your way to Ute Meadows. The summit of Baldy Mountain awaits! After a successful climb, tour the mine at French Henry before heading back to Ute Meadows. For one final climb, stop into the Continental Tie & Lumber Company at Pueblano, and use your rope skills on their spar poles. Join the Conservation Department for some trail work at Flume Canyon on your way to a well deserved root beer in Ponil's cantina. Cap off your adventure with a Chuckwagon Dinner and Cantina Show. - Cimarroncito Reservoir
- The Bench
- Hawkeye Camp

### Program Highlights

- Challenge Events
- .58 Caliber Black Powder Rifles
- Railroading & Blacksmithing
- Rock Climbing & Rappelling

### Conservation Project

- Day 11 - Indian Writings
- New Trail Construction

**Itinerary 13**

**Rugged (good mix of program & hiking) - 65 miles**

*This trek is full of wonderful program opportunities, such as black powder rifles, spar pole climbing, and railroading at Philmont's newest staff camp... Metcalf Station! Start by camping at Cathedral Rock and hiking past the picturesque Cimarroncito Reservoir. Check out the Demonstration Forest and tour Mr. Phillips' Hunting Lodge before rock climbing and rappelling at Cimarroncito. On the following day, your crew will love the gorgeous downhill hikes through the lush Sawmill and Grouse Canyons! From there, your crew's journey to the North Country will pass through Hawkeye and Upper Dean Cow Camps before spending two days at Miranda, where the mountain men will let you shoot their booming .50 caliber muzzle loading rifles! Next, create your own mountaintop experience by summiting Baldy Mountain, checking out Lucien Maxwell's Aztec Mine, and visiting historic Baldy Town. Hike over to Pueblano where you'll climb spar poles with the men of the Continental Tie & Lumber Company before continuing to Flume Canyon for the night. At Ponil, enjoy horse rides and branding before filling up at the Chuckwagon Dinner. On your way down from Hart Peak, you will hear the pinging of the hammer echo off the canyon walls at Metcalf Station, where railroading and blacksmithing await your crew. Work on a trail construction project with the Conservation Department near Indian Writings. Tour the petroglyphs, learn about the Ancestral Puebloan people, and test your atlatl skills before hiking to House Canyon. Watch the sun set behind all of Philmont's mountains on your last night from this secluded camp. Next stop... Base Camp!*

**Rugged (good mix of program & hiking) - 65 miles**

*This rugged trek will let your crew hike, shoot, ride, and climb your way into Base Camp via the Tooth of Time! Not long after you begin from Turkey Creek Turnaround, your crew will shoot clay pigeons with shotgun shells they learned to reload at Harlan. The cool hike up Grouse and Sawmill Canyons will let you focus on the wildflowers instead of the heat! At Sawmill, our .30-06 reloading room and shooting range is guaranteed to be a highlight of your trek. Camp at Comanche Peak and enjoy the best sunrise at Philmont from just east of the campsites. Continue on to Comanche Peak and Mt. Phillips. Once on top of Phillips, views of the Moreno Valley, Wheeler Peak, and Baldy Mountain will leave lasting memories for your crew! From there, you'll learn to homestead at remote Crooked Creek. Next, your crew will shoot 3-D archery targets and explore Jicarilla Apache life at Apache Springs. Tour Fish Camp to discover why Waite Phillips enjoyed spending so much time in the backcountry. From there, hike to Beaubien for branding, roping, a chuckwagon dinner, a cowboy campfire, and horse riding down one of the most beautiful canyons the southwest has to offer. Hike over Trail Peak to see the wreckage of a B24 bomber that crashed in 1942. Continue on to Crater Lake where the Continental Tie & Lumber Company will challenge you to climb their spar poles and provide you with an evening of entertainment at their Company Meeting Campfire. The next morning, work on a trail construction project with the Conservation Department. Rock climb and rappel at Miners Park before your last night on the trail at North Fork Urraca. Rest up and prepare for the final challenge... the Tooth of Time!*

*This program filled trek will enable your crew to hike the Tooth of Time and visit some of the most pristine camps in Philmont's Central and South Country! You will be able to orient your crew's Scouting focus under the stars at Zastrow's Rededication to Scouting program. Start by trekking over Lovers Leap and hiking to Miners Park for rock climbing and rappelling. Next, side hike the Tooth of Time from Schaefer's Pass. At Clarks Fork, test your roping skills, eat a chuckwagon dinner, enjoy a cowboy campfire, and ride horses the following morning. Hike by Window Rock before meeting the Conservation Department for a trail construction project in scenic Hidden Valley. Reload and fire .30-06 rifles at Sawmill before climbing up to Thunder Ridge for the night. Be rewarded with views of Wheeler Peak and Baldy Mountain from on top of Mt. Phillips! Mountain men, tomahawks, and booming .50 caliber muzzle loading rifles await you at Clear Creek. Enjoy the hike down the Rayado and learn to homestead at Crooked Creek. From there, enjoy fly tying, fishing, and a tour of the historic lodge at Fish Camp. The hike down Rayado Canyon will reveal views of the surrounding peaks, and your crew will help the Carson Meadows staff with a search and rescue mission. Start this rugged trek by seeing the first confirmed T-Rex track in the world! From there, be one of the few crews to camp at Campos Canyon, located on the Heck Tract of Ted Turner's Vermejo Park Ranch. You will hike past bizarre rock outcroppings on your way to rock climb and rappel at Dean Cow, before camping at New Dean for the night. Hike to Head of Dean and test your crew skills with initiative games and challenge course events that will encourage your crew to work together. From there spend two nights in historic mining district of Baldy Town. Get your rest and wake up early to climb over Baldy Mountain. Visit French Henry to explore Lucien Maxwell's best gold producing Aztec Mine. Then, take in the view from Copper Park before hiking to Upper Greenwood Canyon for the night. Head northeast into the Valle Vidal Unit of the Carson National Forest to experience the incredible ponderosa pine stands and some of the most heavily populated elk habitat in the southwest. Camp at Iris Park and Ring Place, but be sure to mountain bike at Whiteman Vega and lend a hand on a stream restoration project. Take part in a search and rescue mission with the staff at Seally Canyon before navigating across Beatty Lakes, back onto Philmont property, and up to Horse Canyon Camp for the night. Wake up early and hike to Ponil so you can sign up for Cowboy Action Shooting, before eating a chuckwagon dinner and being entertained by a wonderful cantina show. Enjoy horse rides on your way out of the backcountry!

Start off by trekking over Lovers Leap before heading to Urraca Mesa for initiative games and challenge events that will encourage your crew to work together throughout the trek. Be sure to wake up early to see the sunrise from Inspiration Point and be amazed as first light hits the Tooth of Time. From there, visit a Mexican homestead at Abreu and help the staff at Carson Meadows with a search and rescue mission. Hike west to the Notch and enjoy the overlook of Rayado and Bonito Canyons. Stellar views of Rayado, Crater, and Lookout Peaks will then be seen from the south side of the canyon as you continue onwards. Enjoy Fish Camp just like Mr. Phillips did, as you fish the banks of the Rayado and Agua Fria Rivers. Spend two days hiking through some of the most pristine country the southwest has to offer while you camp at Agua Fria and Crooked Creek. From there, mountain men, booming .50 caliber muzzle loading rifles, and tomahawks await you at Clear Creek. Next, the trek up Mount Phillips will be challenging, but seeing the sunset over Wheeler Peak and the Moreno Valley will be an unparalleled reward. Hike over Comanche Peak and work on a trail construction project with the Conservation Department near Whistle Punk Camp. At Sawmill, you will learn to reload .30-06 rifle rounds before shooting them at our state of the art firing range. Enjoy the cool hike down Sawmill Canyon where your crew will rest for the evening at Ute Springs. From there, enjoy hiking through Hidden Valley and by Window Rock before visiting the Demonstration Forest. Horse rides, a delicious chuckwagon dinner, and cowboy campfire will help your crew have a wonderful night as you prepare for the final leg of your journey... The Tooth of Time!*

This trek will climb over Baldy Mountain, test your limits on the challenge course, provide an envelope of initiative games (and Leave No Trace games) to open at trail camps, and daringly master the High Ropes COPE Course to top off the experience! After your first night on the trail, lend a hand at the Flume Canyon conservation project. Hike up the ridge to Elkhorn for 360 degree views of the surrounding mountains. Stop by Head of Dean the next day for your first challenge events. A two day stay at Baldy Town will enable you to climb Baldy and visit the Aztec Mine at French Henry. Next, hike back to Head of Dean to pick up your envelope of initiative games. Complete the first set of initiative games at Santa Claus on your way to Deer Lake Mesa Camp. Hike on and complete the Leave No Trace initiative games in Hidden Valley before settling in near Waite Phillips' Hunting Lodge for the night. Be sure to check out the Demonstration Forest before testing your rock climbing skills at Miners Park on the following day. Hike to Urraca Mesa to participate in advanced challenge course events and lead the staff through an initiative game or two of your own! Enjoy the evening campfire, but be sure to get your rest so you can wake up and watch the sunrise from Inspiration Point, before side hiking the Tooth of Time from Stockade Ridge Camp! If your crew is interested in a MOUNTAINTOP experience, this trek will enable you to climb 11,230 ft. Ash Mountain South or 12,584 ft. Little Costilla Peak in the Valle Vidal Unit of the Carson National Forest. They are two of New Mexico's finest peaks! Start your experience by touring the historic Chase Ranch and spend the first night at Dean Heck Camp. Continue to Dean Cow for rock climbing and rappelling. Next, challenge events at Head of Dean will bring your crew together. The Continental Tie & Lumber Company at Pueblano is a treat before your hike over beautiful Wilson Mesa to Rich Cabins, where you will learn to homestead and be entertained by the musically talented Rich family. Hike north to the Middle Ponil Low Impact Camp where you will prepare for the biggest challenge of the trek. In June, climb Ash Mountain South, as Little Costilla is closed to the public for elk calving season. In July and August, climb Little Costilla or Ash Mountain... or both! Continue your trek to Windy Gap and safely navigate your way to the McCrystal Creek Low Impact Camp for an unparalleled view of the Philmont skyline. Hike east to Whiteman Vega where your crew will ride some of the finest mountain biking trails in New Mexico. Stop by Ring Place and camp at Seally for the night. Help the staff at Seally Canyon with an important search and rescue mission and head down to Cook Canyon the next day. Lend a hand at the forge or hammer some spikes on the railroad at Metcalf Station, and continue on to Indian Writings for a look even further back in time, to when the Ancestral Puebloan people lived in this canyon. Work with the Conservation Department on a trail project and be sure to stop by the world's first confirmed T-Rex track... it's right here in the North Ponil Canyon! Next stop...Base Camp!

**Rugged (good mix of program & hiking) - 74 miles**

*This Valle Vidal itinerary will enable your crew to see an incredible assortment of wildlife, enjoy enormous grass filled vegas, hike through beautiful ponderosa pine stands, and view the rugged mountains to the north of Philmont! You will also have the opportunity to let pack burros carry a portion of your gear! Start off at Bent Camp, and head up to the challenge course at Dan Beard before entering the US Forest Service's Valle Vidal. A search and rescue mission awaits your crew at remote Seally Canyon. After checking the weather forecast at Ring Place, you will get a chance to ride bikes on one of the area's best trails. Your conservation project will focus on restoring one of the Valle Vidal's many streams. Hear the pinging of hammers echo off the canyon walls as you approach Metcalf Station, and enjoy music in the evening. Climb Hart Peak, then head to Ponil for cowboy action shooting and a chuckwagon dinner. Pick up your burros the next morning and make your way to Baldy Skyline. The Continental Tie & Lumber Company at Pueblano has spar pole climbing along the way. Shoot booming .50 caliber muzzle loading rifles and side hike Baldy Mountain from Miranda before reflecting on the journey while watching the sunset at Santa Claus. Hike down to the beautiful Ute Park Turnaround. Next stop... Base Camp!*

**Rugged (good mix of program & hiking) - 76 miles**

*This program intense trek covers a lot of ground in Philmont's rugged North and Central Country. Start off by visiting the Historic Chase Ranch. From there, visit the fascinating petroglyphs left by the Ancestral Puebloan people at Indian Writings and test your hunting skills with an atlatl. Next, your crew will visit historic Ponil where you will learn to rope, eat a chuckwagon dinner, and enjoy a cantina show before hiking to Dean Cow along Dean Skyline for rock climbing and rappelling. Get an early start on your way to Vaca and have fun burro racing at Harlan. Work on a great trail project with the Conservation Department and camp at Lower Sawmill for the night. Enjoy the cool hike up Sawmill Canyon where you'll be able to focus on the wildflowers and aspens instead of the heat! At Sawmill, Philmont's world class .30-06 reloading room and shooting range are guaranteed to be a highlight of your trek. From there, the hike over Comanche Peak and Mt. Phillips will be challenging, but viewing Wheeler Peak, the Moreno Valley, and Baldy Mountain will be an unparalleled reward. Enjoy the downhill hike to Red Hills where cool spring water awaits after a long day! Climb Big Red before descending to Comanche Pass and then to the Middle Fork Cimarroncito Creek. Relax at Mr. Phillips' Hunting Lodge and fish the Cimarroncito Reservoir. Visit the Demonstration Forest on your way to Clarks Fork. Then your final test awaits... The Tooth of Time! Enjoy the peak and your last night on the trail before hiking into Base Camp.*

*This exciting trek will give your crew a chance climb Philmont's tallest mountains while enjoying the serenity of many trail camps. There are also plenty of opportunities to enjoy some of our classic programs along the way. Start your trek with a visit to Zastrow to hone your navigation skills before heading up to rugged Rimrock Park for the night. Stop in at the Mexican homestead at Abreu before continuing on to beautiful Lower Bonito! Hike down to Fish Camp to tour Mr. Phillips' Fishing Lodge. Walk the banks of the Rayado all the way up to Porcupine, and make your way to Crooked Creek for the night. You'll be able to relax underneath huge Douglas Fir trees. Next, fire black powder rifles with the Rocky Mountain Fur Company at Clear Creek, and hike to the summit of Mt. Phillips. The sunset view of Wheeler Peak and the Moreno Valley are your reward after the long climb. From there, head down to Sawmill for .30-06 rifle shooting and reloading. Enjoy the beautiful hike down cool Sawmill and Grouse Canyons on your way to Upper Bench. Begin your journey to the North Country and hike up Bear Canyon on your way to Santa Claus. Work together to succeed on the challenge course at Head of Dean. Then, head to picturesque Ewells Park. Two nights there will give you plenty of time to climb Baldy Mountain and visit the Aztec Mine at French Henry for a tour and blacksmithing. Leave early to make your conservation project at Flume Canyon. The chuckwagon dinner at Ponil will fill you up after a long day on the trail. Stick around for cowboy action shooting in the morning before catching the bus back to Base Camp.*

**Itinerary 30**

***Strenuous (hiking with some program time) - 82 miles***

*If your crew enjoys GPS and land navigation, this trek is for you! Test your navigation skills on Ted Turner's Vermejo Park Ranch. Our Geographic Information Systems (GIS) Department set up a challenging course in rugged country with some of the most unique rock outcroppings and vistas that the southwest has to offer. We are challenging your crew to be the first to locate them all! Start your trek at Dean Heck Camp before bushwhacking up Slate Hill to find the geocaches. Be amazed by the rock formations. If you pay close attention, you might even find a rock with Waite Phillips' initials (WP) carved into it! Spend the night where few other crews have, at beautiful Slate Hill Heck Camp. Log your findings with the Harlan staff before learning to reload and shoot your own 12 gauge shells. Work on a trail project with the Conservation Department on your way to Lost Gap. Next, hike through Hidden Valley and by Window Rock to Mr. Phillips' Hunting Lodge. At Cyphers Mine, you will explore Charlie Cyphers' mine and be entertained at The Stomp. Wake up early and fill your water bottles before you ascend Mt. Phillips. The hike will be tough, but viewing Wheeler Peak and the Moreno Valley is something that your crew will never forget. Tomahawks and booming .50 caliber muzzle loading rifles await your crew at Clear Creek. From there, camp at beautiful Bear Canyon and fish the banks of the Rayado Creek, just as Mr. Phillips enjoyed, at Fish Camp. Enjoy hiking down Rayado Canyon and help the staff at Carson Meadows with an important search and rescue mission. Get an early start to rock climb and rappel at Miners park before your final challenge... Tooth of Time!*

*This program filled trek will give you a chance to pass over Wilson Mesa, climb Baldy Mountain, and hike the Tooth of Time! Start your trek with a cool glass of root beer at Ponil before making your way to Dean Cutoff for the night. Stop by the Continental Tie & Lumber Company at Pueblano for spar pole climbing on your way to Baldy Skyline Camp. Check out the mining history of Baldy Mountain at Baldy Town and French Henry as you climb up to Copper Park. Hike to the Baldy ridgeline, hang your smellables, and side hike the northern shoulder of Baldy Mountain to the summit! Return to your packs and continue on to Upper Greenwood. Enjoy the downhill hike to Rich Cabins where a welcoming homestead and evening music await you. Climb Wilson Mesa, enjoy the view, and continue on to Elkhorn Camp. From there, follow Dean Skyline to Dean Cow for rock climbing and rappelling. Your next stop, Harlan, will give you chance to reload and shoot 12 gauge shotguns. Work on a new trail construction project on your way to beautiful Aspen Springs. Reflect on the journey before heading to Clarks Fork via Hidden Valley and Window Rock. Test your roping skills, enjoy a chuckwagon dinner, and cap off the evening with a cowboy campfire. Be sure to wake up early, fill your water bottles, and hit the trail towards Shaefers Peak and the Tooth of Time!*

**Super Strenuous (minimum program time) - 89 miles**

*This is the only trek that will enable your crew to bag Philmont's triple crown... Baldy Mountain, Mt. Phillips, and The Tooth of Time! You will also have the opportunity to let pack burros carry a portion of your gear! Start your trek by enjoying the view of Little Costilla from Sioux Camp. Pick up burros at Ponil and visit the Continental Tie and Lumber Company at Pueblano where you will climb spar poles and be treated to the loggers' Company Meeting Campfire. Drop your burros off and throw tomahawks at Miranda before hiking to Ute Meadows. A two day stay there will give you time to climb rugged Baldy, explore Lucien Maxwell's Aztec Mine, and visit historic Baldy Town. Next, overcome difficult obstacles on the challenge course at Head of Dean and hike to Santa Claus. Head south towards Visto Grande, and enjoy the view of Baldy Mountain. The cool hike up Grouse and Sawmill Canyons will let you focus on the wildflowers and aspens instead of the heat! At Sawmill, our world class .30-06 reloading room and shooting range are guaranteed to be a highlight of your trek. Continue on and work on a trail project with the Conservation Department near Whistle Punk Camp on the way to Comanche Peak Camp. Wake up early and watch the sunrise just east of Comanche Peak Camp, then side hike Comanche Peak and Mt. Phillips. Return to camp, grab your packs, and hike over Big Red and Black Mountain. Shoot .58 caliber muzzle loading rifles and learn to blacksmith at Black Mountain Camp where post Civil War settlers will greet you. Enjoy the hike down North Fork Urraca Creek and be sure to fill up all of your water bottles. Hike over Shaefer's Peak and the Tooth of Time before your triumphant return to Base Camp!*

This MOUNTAINTOP trek will give your crew an opportunity to climb 12,441 ft. Baldy Mountain, 12,584 ft. Little Costilla Peak, and/or 11,230 ft. Ash Mountain South. Begin by hiking up the South Ponil Canyon to Flume Canyon and Pueblano. Climb spar poles and enjoy the Company Meeting Campfire with the Continental Tie & Lumber Company staff. Hike to Baldy Town to pick up food and continue to French Henry to mine for gold, blacksmith, and explore Lucien Maxwell's gold producing Aztec Mine. Hike up the wall and be amazed as you walk down into Copper Park. Wake up early and hike to the ridge, where you will hang bear bags and day hike rugged Baldy Mountain before camping at Greenwood Canyon for the night. Enjoy waking up in the cool canyon and continue to Little Costilla Low Impact Camp, where you will prepare for another mountain challenge. In June, climb Ash Mountain, as Little Costilla is closed to the public for elk calving season. In July and August, climb Little Costilla or Ash Mountain South... or BOTH! Continue your trek to Windy Gap and safely navigate east down the ridge to Ring Place. Enjoy the astronomy program under some of the darkest skies in the United States. Stop by Seally Canyon for search & rescue training, and continue to Dan Beard for challenge events. Wake up early and head east until you hear the pinging of hammers driving rail spikes echo off the canyon walls at Metcalf Station. Be sure to check out the Ancestral Puebloan petroglyphs from 1300 CE before working with the Conservation Department on a trail project at Indian Writings. Be some of the first crews to explore Chase Canyon and the historic Chase Ranch. Next stop... Base Camp!

**Super Strenuous (minimum program time) - 103 miles**

*If your training hikes were a breeze, Philmont's biggest challenge is the trek for you! Our longest trek covers it all, but will still provide your crew with many program opportunities. Be amazed by the beauty of the Valle Vidal, the height of Baldy Mountain, and the ruggedness of the Tooth of Time! Start off by exploring the historic Chase Ranch and spending the night at Hells Fire Canyon. Be sure to tour the fascinating petroglyphs left by the Ancestral Puebloan people prior to 1300 CE at Indian Writings. Test your navigation skills by taking beautiful Abran Canyon or hiking up the North Ponil to Seally Canyon, where you will help the staff with a search and rescue mission that will challenge your crew to work together. Bushwhack the north ridgeline on your way to tour historic Ring Place. From there, ride some of northern New Mexico's finest mountain biking trails at Whiteman Vega and work on a stream restoration project with the Conservation Department. Travel cross country all the way to Greenwood Canyon. The next day, you'll hike the gorgeous canyon all the way to Copper Park. Be sure to explore Lucien Maxwell's Aztec Mine and learn gold mining, panning, and blacksmithing skills at French Henry. Your two day stay at Ewells Park will give you a chance to climb Baldy Mountain and tour historic Baldy Town. Shoot booming .50 caliber muzzle loading rifles and throw tomahawks at Miranda before hiking to Santa Claus. Continue south and pass through Hidden Valley, by Window Rock, and through the Demonstration Forest on your way to Clarks Fork. Enjoy a chuckwagon dinner, roping, and a cowboy campfire on your last night, but get plenty of rest because your final challenge awaits... the Tooth of Time!*

## SPECIAL INDIVIDUAL TREK EXPERIENCES

### STEM Trek

The STEM Trek is an exciting program for Scouts, Venturers, and Explorers that are looking to enjoy a 12-day trek throughout Philmont's rugged mountain wilderness in the Sangre De Cristo Range of the Rocky Mountains, while learning about Science, Technology, Engineering, and Math in the process. Hike and learn about forestry, wildlife management, geology, botany, watershed management, physics, chemistry, forestry, astronomy, stream ecology, and range management. STEM Trek participants will hike alongside Philmont Staff with academic backgrounds in the subject matter and have experience with outdoor education. Philmont Participants depart the morning of the thirteenth (13th) day (July 22 and July 28 are departure dates).

#### 2017 Dates:

Session #1	<b>July 10 – July 22</b>	Session #2	<b>July 16 – July 28</b>
Cost:	\$895.00		
Duration:	12 days and nights		
Age:	14 by program start date, but not 21 by its conclusion		

### Rayado Trek

Older Scouts, Venturers, and Explorers (not coed crews) who have mastered basic outdoor skills should consider applying for the challenging and selective Rayado Trek program. Rayado participants will experience more of Philmont's backcountry and will have program opportunities not available to Expedition campers. Rayado is unparalleled for developing outdoor leadership, group dynamics, wilderness problem solving, and advanced outdoor skills. A Rayado Trek encourages participants to attain a high level of personal growth and self-reliance. Rayado is a twenty (20) day program. Participants depart the morning of the twenty-first (21st) day (July 10 and August 7 are departure dates).

#### 2017 Dates:

Session #1	<b>June 20 – July 10</b>	Session #2	<b>July 18 – August 7</b>
Cost:	\$745.00		
Duration:	20 days and nights		
Age:	15 by program start date, but not 21 by its conclusion		

### ROCS (Roving Outdoor Conservation School)

The Roving Outdoor Conservation School is an exciting program for Scouts, Venturers, and Explorers who have an interest in conservation and natural resource management. As the crew hikes the ranch, the participants camp in many of the different forest types and participate in activities in some of the following areas: forestry, fire ecology, fisheries management, wildlife management, geology, watershed management, and range management. The crew will work on a number of conservation projects on Philmont property and other land the Ranch has a special use permit for, including the U.S. Forest Service Valle Vidal Unit. ROCS is a twenty-one (21) day program. Participants depart the morning of the twenty-second (22nd) day (July 7, 14, 21, 28, & Aug 4 are departure dates)

#### 2017 Dates:

Session #1	<b>June 16 – July 7</b>	Session #2	<b>June 23 – July 14</b>
Session #3	<b>June 30 – July 21</b> ( <i>Female only session</i> )

Cost:	\$545.00		
Duration:	21 days and nights		
Age:	16 by program start date, but not 21 by its conclusion		

## Trail Crew Trek

The Trail Crew Trek Program will feature an intense trail building training course while hiking through the Ranch. Participants will learn the newest “best practices” of trail construction and maintenance and will be introduced to the William T. Hornaday Conservation Award. Leadership skills, Leave No Trace techniques, and advanced outdoor skills will also be part of the program. The Trail Crew Trek is a fourteen (14) day program. Participants depart the morning of the fifteenth (15th) day (June 28 and August 9 are departure dates).

### 2017 Dates:

Session #1	<b>June 14 – 28</b>	Session #2	<b>July 26 – August 9</b>
Cost:	\$300.00		
Duration:	14 days and nights		
Age:	16 by program start date, but not 21 by its conclusion		

## Ranch Hands

Ranch Hands is a program for Scouts, Venturers, and Explorers who have knowledge of horsemanship and horse care and want to expand their skills and experience. The Ranch Hand crew will spend eight days working in the horse department hauling hay, saddling, daily chores, and other horse program tasks. Then they will participate in their own special Cavalcade itinerary trek for eight days. Ranch Hands is a sixteen (16) day program. Participants depart the morning of the seventeenth (17<sup>th</sup>) day (July 23 is a departure date).

### 2017 Dates: **July 7 – July 23**

Cost:	\$300.00
Duration:	16 days and nights
Age:	16 by program start date, but not 21 by its conclusion

## Order of the Arrow Trail Crew

The Order of the Arrow is offering an opportunity for Arrowmen to join together in cheerful service and the formation of lasting brotherhood on the trails at Philmont. The first week focuses on trail construction and maintenance under the guidance of Philmont trail crew foremen. The second week is a seven day backpacking trek that is designed by the participants. The Order of the Arrow Trail Crew is a fourteen (14) day program. Participants depart the morning of the fifteenth (15th) day (June 22, 29, July 6, 13, 20, 27, August 3, 10, 17 are departure dates).

### 2017 Dates:

## Special Fall and Winter Philmont Programs

### Autumn Adventure

The fall is a great time to experience Philmont. Autumn Adventure treks are scheduled from September through October. Each trek can be customized to fit the schedule of the group attending and can vary from a leisurely day hike to an extended backpacking expedition.

Autumn Adventure is open to crews of seven to 12 participants accompanied by an Autumn Adventure guide. Larger groups are organized into multiple crews. A crew may be assembled from a Boy Scout Troop, Venturing Crew, Explorer Post, or an all-adult group such as unit, district, or council committee members. All participants must be registered members of the BSA.

Youth participants must be at least 14 years of age or in the eighth grade and at least 13 years of age at the time of participation and youth groups must be accompanied by at least two adult leaders. Coed youth groups must have at least one adult male and one adult female leader.

Every participant is required to have a current medical examination within the previous 12 months and meet requirements for physical condition. Philmont requires at least one crew member be certified in CPR and Wilderness First Aid.

There are four programs offered through Autumn Adventure:

- **Council/Group Trek Planning** - Cover pre-trek planning and training, visit areas of the ranch that you are interested in seeing on your summer trek. This is a great time for adults to see what it takes to bring a crew to Philmont. You will have a chance to meet with some of the key Philmont leadership as well.
- **High Adventure Planning** - Learn techniques and tips for planning a High Adventure trip for your unit. You will have a chance to see how Philmont puts together a High Adventure trek so that you can plan one for your home unit.
- **All-Adult Crews** - A great opportunity for team building and planning for your troop, district, or council. What better way to bring a group together than fly fishing on the Rayado River or taking in the fall colors as the aspen's change to gold?
- **Traditional Crews** - A great experience for Scouts with extra time in the fall. This experience is for crews of 7 to 12 members with youth giving leadership to the crew. You will have a chance to experience the outdoors at its best.

### Winter Adventure - Philmont's Cold Weather Camping Program

Participants in Winter Adventure learn to camp comfortably in cold weather and enjoy Philmont's beauty in winter. After an initial training session, several program options are available to each group depending on its interests, the weather, and snow conditions. Crews hike through the backcountry, sleep in tents or snow shelters, participate in activities such as ski touring and snowshoeing, snow shelter building, winter ecology, Search and Rescue Merit Badge, and avalanche beacon education.

Winter Adventure expeditions are scheduled around weekends from late December through March. Space is limited, and each season fills up quickly, so make your reservations early!

The Winter Adventure program is available to crews of 6-12 participants, which will be accompanied by a Winter Adventure guide. A crew may be assembled from a Boy Scout Troop, Venturing Crew, Explorer Post, and must have a majority of youth participants. All participants must be registered members of the BSA.

Each crew must have at least two registered adult advisers. One of the advisers must be at least 21 years of age or older; the second adviser must be at least 18 years of age. For coed Venturing crews and Explorer Posts, there must be a male and a female adviser, both at least 21 years of age or older. Youth participants must be at least 13 years of age or in the eighth grade at the time of participation.

Every participant must be in good physical condition and present an Annual BSA Health and Medical Record form with a current (within the past 12 months) medical examination filled out by their physician.

A typical Winter Adventure trek lasts three days, scheduled over a weekend, but the length of the trek can be adjusted to fit the schedule of the group attending. However, groups that wish to limit their trek to only the weekend will have limited time for program activities.

- **Special Holiday Program** - Philmont offers a special deal on Winter Adventure between Christmas and New Year's.
- **Cold Weather Camping Program** - Winter Adventure is based on Northern Tier's Okpik program, which teaches participants how to camp comfortable during cold winter months.
- **Learn Winter Camping Basics** - With the help of a trained Winter Adventure guide, you will learn to camp, cross-country ski, and build snow shelters.
- **Camp Comfortably in the Cold** - Winter Adventure's main goal is to teach crews how to be "comfortably cool" while out in the cold, giving Scouts skills to take home and use in their own cold weather camping programs.
- **Downhill Skiing Package** - For a small extra fee, you may add a day of downhill skiing at the beautiful Red River Ski Resort when you participate in Winter Adventure.
- **Cross Country Skiing Package** - For a small extra fee, you may add a day of cross country skiing at the Enchanted Forest Cross Country Ski Area when you participate in Winter Adventure.

### **Leave No Trace Master Educator**

The five-day Master Educator course is designed for people who are actively teaching outdoor skills or providing recreation information to the public. This valuable training is recognized throughout the world by the outdoors industry, land management agencies, and the outdoor recreation community. Master Educators can train others in Leave No Trace skills as well as facilitate Leave No Trace Trainer courses and awareness workshops.

This course is offered during one week of the Autumn Adventure season. Dates for 2017 are September 24<sup>th</sup> – 29<sup>th</sup>. Contact Camping Registration for more information.

Silver on the sage,  
Starlit skies above,  
Aspen covered hills,  
Country that I love.

Wind in whispering pines,  
Eagles soaring high,  
Purple mountains rise,  
Against an azure sky.

Philmont, here's to thee,  
Scouting Paradise,  
Out in God's Country,  
Tonight.
